In claim Xth, the exclusion of a temple with a space of 15 yards ~~around~~ around it and right of way to the same were prayed for; the D. S. O rejected the claims on the ground that the temple and the path leading to it had not been in use for a long time.

But the Board ^{states} ~~recommends~~ that the
privilege
might ^{be} worship at the temple, may
if necessary be conceded by a departmental

order; this way, it is submitted, be done.

the necessary access to the temple being
at the same time allowed. The space

as the temple ^{appears} ~~is~~ to be rarely resorted to.

Let the existence of
 It the temple is admitted
 then clearly the right to
 space occupied by it should disappear
 and the right of access to the enclosure
 allowed. But the ground taken up by
 the 7.80 is that the temple does not
 exist. Why then suggest the possibility
 of its being wrong?

PROCEEDINGS OF THE BOARD OF REVENUE
(LAND REVENUE).

READ—the following letter from H. BRADLEY, Esq., Collector of Coimbatore, to the Secretary to the Commissioners of Land Revenue, Madras (through the Conservator of Forests, Southern Circle), dated 18th August 1897, Ref. on Cur. No. 1267 :—

I have the honour to forward herewith the Forest Settlement-officer's letter Ref. on No. 1158, dated 26th July 1897, with its enclosures as per *margin, on the final settlement of the Sinnavirasangili block, Erode taluk, Coimbatore district.

2. I request that the notification under section 16 of the Forest Act V of 1882 may be ordered to be published in the Fort St. George and Coimbatore District Gazettes if approved by the Board and Government.

ENCLOSURE No. 1.

From F. V. P. GOMPERTZ, Esq., Forest Settlement-officer, Trichinopoly, &c., districts, to the Collector of Coimbatore, dated Cowdalli, 26th July 1897, Ref. on No. 1158 :—

I have the honour to report the conclusion of the settlement of the Sinnavirasangili block, Erode taluk, after complying with the provisions of section 16 of the Madras Forest Act V of 1882.

2. The block comprises portions of Thingalur, Papampalayam, Polnayakkanpalayam, Periyavirasangili and Sinnavirasangili villages.

3. The notification under section 4 appeared in the *Fort St. George Gazette*, dated 19th March 1895, and the proclamation under section 6 was issued on 23rd idem fixing 15th July 1895 as the latest date for preference of claims. The settlement of the block was begun by M.R.Ry. P. Singaravelu Pillai Avergal but completed by me after the notification transferring it to my name appeared in the *Fort St. George Gazette*, dated 25th May 1897. The exclusions made at the instance of the District Forest-officer are indicated in the sketch by green lines. The last claim was disposed of on 21st April 1897, and the appeal time expired on 8th June 1897 without any appeal being preferred.

4. Forty-four claims were preferred as follows: for patta and waste lands, for temples, burial and burning grounds, water sources, two public roads, and rights of way.

The patta lands were excluded by revision of boundary with the exception of two fields which were acquired under the Land Acquisition Act. Some waste lands, temples, burial and burning grounds, and rights of way and water sources were also thrown out by revision of boundary. The claims to a temple and a right of way were rejected as the rights to them appeared to be non-existent. The claims to other waste fields were rejected as not based on right, and the remaining claims to the public roads and rights of way were admitted.

5. I beg that three months' time may be allowed for promulgation of the final notification under section 16 from the probable date of its appearance in the *Fort St. George Gazette*.

The settlement of the block was begun by M.R.Ry. P.
