FEBRUARY.

Pony show.—Submitting, to Government with remarks, report on the — held at Berikai in Salem in January 1898.

PROCEEDINGS OF THE BOARD OF REVENUE

(REVENUE SETTLEMENT, LAND RECORDS AND AGRICULTURE).

READ—the following letter from C. H. MOUNSEY, Esq., I.C.S., Acting Collector of Salem, to the Secretary to the Commissioner of Revenue Settlement, Land Records and Agriculture, dated 20th January 1898, R. No. 282:—

I have the honour to submit the report of the judges at the Berikai pony show held on the 6th instant.

2. In regard to the smaller number of ponies shown this year than last, this is more nominal than real. Last year there were 44 entires shown is class V geldings; all such entries were excluded this year; and class VI (mares over three years' old) in which there were 110 entires last year was altogether abolished.

3. The true comparison is as follows:—

Class.		Number of entries in.		
Number.	Description.	1898.	1897 (Berikai, December 1896).	1896 (Adaman cottah, March 1896).
I	Mares that have been covered by Government stallions within the last 12 months or with foal at foot	89	50	37
II	Colts over 9 and under 24 months	13	21	10
III	Fillies over 9 and under 24 months	6	14	22
IV	Fillies over 24 months	8	9	4
V	Geldings 2 years and upwards	48	75	25
	Total ..	164	169	98

The increase in class I is a hopeful sign. Keen interest was taken in the show by the neighbouring villagers and visitors for the cattle fair. This interest was heightened by band, pony races and gymnastic performances which are, I think, looked forward to and which tend to popularize the exhibition.

4. Possibly if some grown and working mules could be marched about with the donkey stallions, and their stamina and usefulness thereby shown to the ryots, it might encourage much breeding. I beg to suggest this may be done.

5. I would like finally to point out that the Bagalur-Berikai road is a country cross road which has very little traffic on it and consequently only Rs. 50 a mile is provided for it. This is inadequate to keep in good order the road, which is taken over numerous inclines and two bad tank-bunds.

ENCLOSURE No. 1.

Report of the Judges on the Ponies exhibited at the Show held at Berikai on the 6th January 1898.

The site of the show was the same as last year and is suitable in every respect as a show ground, but the road leading from Bagalur to Berikai is in a disgraceful condition and it would add to the judges' comfort (if they proceed from Hosúr next year) if the road could be repaired before then.

The total number of exhibits was smaller than last year, and it cannot be said that the animals generally showed signs of having been more carefully looked after since last year's show except perhaps classes II and III.

On the whole, though the judges think that there was an improvement shown, yet it is a pity the ryots do not go in more, for mule-breeding.

Class I—89 Exhibits, 13 Foals by Government stallions.

First prize—Useful mare in foal to Government stallion.
Second ,, Poor mare with very good *mule* foal.
Third ,, Poor mare with good foal.
Fourth ,, Useful mare (by Government stallion), with good foal *not* by Government stallion.
Fifth ,, Useful mare in foal to Government stallion.
Sixth ,, Mare in foal to Government stallion.

Twenty prizes were given in this class, as the judges considered that all exhibitors showing mare with foal at foot by Government stallion should receive prizes.

Class II—13 Exhibits, Six prizes were given, as the class was fairly good.

First prize—Chestnut colt by "Sunshine" well looked after and very promising.
Second ,, Bay colt by "Carbon" also promising.
Third ,, Chestnut colt by "Ranger" not so well looked after, but showing a good deal of quality.
Fourth ,, Bay colt by Carbon.
Fifth ,, Chestnut colt by "Abdoollah".
Sixth ,, Roan colt.

Class III—6 Exhibits, only 4 prizes.

First prize—Bay filly by "Abdoollah." A very good filly indeed. This animal was considered so good that the judges gave an extra prize to it.
Second ,, Bay filly, good, well-shaped animal, having all the appearance of being by a Government stallion.
Third & Fourth ,, Fairly well-shaped animals but very badly looked after.

Class IV—8 Exhibits.

Only three prizes were given and these were reduced. This class was a very bad one indeed. Five out of the eight shown only had certificates.

The animals were in wretched condition and smaller than those shown in class III although they were a year older.

First prize—Grey filly by "Ranger," very badly looked after.
Second ,, Chestnut filly by "Carbon," very badly looked after.
Third ,, Brown filly. No name. Very badly looked after.

Class V—48 Exhibits.

With the exception of the first three (which were by Government stallions) the animals were in very bad condition. Extra prizes were given as the judges thought it advisable to encourage castration as much as possible.

First prize—Chestnut gelding, by Government stallions.
Second ,, ,, ,, ,, ,,
Third ,, Bay ,, ,, ,,
and seven other prizes were given.

RESOLUTION—No. 74, dated 12th February 1898.

Submitted for the information of Government.

2. In accordance with the instructions issued in B.P., No. 163, dated 25th February 1897, entires and mares over three years' old were excluded from the show. The total of the exhibits in the other classes was practically the same as last year. The increase in class I (mares covered by Government stallions within the preceding twelve months), as compared with the previous years, is, as the Collector remarks, a hopeful sign. But it is to be regretted that the number of geldings exhibited, showed so large a decrease; it is trusted that the work of the current years may result in a larger exhibit in this class at the next show.

3. It appears that there was but a single mare exhibited with a *mule* foal. With a view to encourage the mule-breeding industry, the Collector's proposal made in paragraph 4 of his letter is deserving of consideration, and the Board suggests that the Military Department may be addressed with a view to a few good mules being exhibited at work at future shows.

4. The recent show is reported to have been as successful as any of its predecessors at Berikai.

5. The thanks of the Board will be conveyed to Lieutenant-Colonel Chalmers and Veterinary-Lieutenant Clarke for their services at the show.

MARCH.

Pony Show.

Recording, with an expression of concurrence in the Board's remarks, the report on the — held at Berikai in Salem in January 1898; and requesting the Deputy Adjutant-General, Madras Command, to arrange for the exhibition at future shows of a few good mules at work.

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

Read—the following Proceedings of the Board of Revenue (Revenue Settlement, Land Records and Agriculture), No. 74, dated 12th February 1898 :—

Read—the following letter from C. H. MOUNSEY, Esq., I.C.S., Acting Collector of Salem, to the Secretary to the Commissioner of Revenue Settlement, Land Records and Agriculture, dated 20th January 1898, R. No. 282 :—

I have the honour to submit the report of the judges at the Berikai pony show held on the 6th instant.

2. In regard to the smaller number of ponies shown this year than last, this is more nominal than real. Last year there were 44 entires shown is class V geldings; all such entries were excluded this year; and class VI (mares over three years' old) in which there were 110 entires last year was altogether abolished.

3. The true comparison is as follows :—

Class.		Number of entries in.		
Number.	Description.	1898.	1897 (Berikai, December 1896).	1896 (Adaman cottah, March 1896).
I	Mares that have been covered by Government stallions within the last 12 months or with foal at foot	89	50	37
II	Colts over 9 and under 24 months	13	21	10
III	Fillies over 9 and under 24 months	6	14	22
IV	Fillies over 24 months	8	9	4
V	Geldings 2 years and upwards	48	75	25
	Total ..	164	169	98

The increase in class I is a hopeful sign. Keen interest was taken in the show by the neighbouring villagers and visitors for the cattle fair. This interest was heightened by band, pony races and gymnastic performances which are, I think, looked forward to and which tend to popularize the exhibition.

4. Possibly if some grown and working mules could be marched about with the donkey stallions, and their stamina and usefulness thereby shown to the ryots, it might encourage much breeding. I beg to suggest this may be done.

5. I would like finally to point out that the Bagalur-Berikai road is a country cross road which has very little traffic on it and consequently only Rs. 50 a mile is provided for it. This is inadequate to keep in good order the road, which is taken over numerous inclines and two bad tank-bunds.
