Resolution.

Recorded.

- 2 The Board notes that Mr. Lushington promises to submit final notifications for 5 Ganjam Blocks during the current quarter.
- 3 The Collector of Ganjam is requested to issue immediate orders for the preparation of the 5 maps relating to the other blocks. It is understood that the former surveyor has died, and no time should be lost in replacing him. The long delay in executing the preliminaries necessary for the submission by the Forest Settlement Officer of his final reports causes heavy loss to the State by indefinitely postponing the completion of the special settlement work and no endeavour must be spared to assist the Forest Settlement Officer in every possible way.
