Proceedings of the Board of Revenue

(Separate Revenue),

Dated 23rd March

1893.

Press No. 101.

-----:0:-----

Read letter from the Deputy Commissioner, Central Division

No. 1530, dated 20th March 1893, suggesting that the Jawadi --- Hills together with all the new work involved in connection with the ganja revenue, may be added to the Vellore Circle instead of the Arni Circle.

Resolution.

The Board begs to request the sanction of Government to the transfer of the Maniyambadi ganja storehouse and of the Jawadi Hills situated in the Polur Taluk from the --- Arni to the Vellore Circle charge. As has been already reported, vide Board's Proceedings No. 2793, dated 4th July --- 1897, it has been found impossible to secure a site suitable for the storehouse in the Polur Taluk, and Maniyambadi, which is in the Vellore Taluk, and within a short railway journey of Vellore, has been selected for this purpose. The hills on which the ganja is cultivated lie between the two taluks, but

636
277 97

At the same time the Vellore charge, which consists of only seven Sub-Inspectors' and 4 parties' ranges with good means of communication, is lighter than Arni even with the Javadi Hills excluded, the latter Circle comprising 11 Sub-Inspectors' and two parties' ranges.

2. In these circumstances the Deputy Commissioner, Central Division, after consulting the two Inspectors, recommends that the gun-ja storehouse and all work connected with it (there is practically no other work to be done in the tract in question) may be transferred to the charge of the Vellore Inspector—a recommendation which has the Board's support. If approved it will bring the transfer in-
to force from the close of April ^{when} ~~upon~~ an opportunity for moving the Arni Inspector into Vellore will occur. The transfer will, of course, nominally have effect from the 1st of that month.

3. A draft notification defining the limits of the Vellore and Arni Circles as affected by these Proceedings is enclosed for approval and publication in the Fort Saint George Gazette.

PROCEEDINGS OF THE BOARD OF REVENUE
(SEPARATE REVENUE).

READ—letter from the Acting Deputy Commissioner of Salt, Abkari and Customs Revenue, Central Division, dated 20th March 1898, No. 1380.

ABSTRACT.—Suggesting that the Javadi hills, together with all the new work involved in connection with the ganja revenue, may be added to the Vellore Circle instead of the Arni Circle.

RESOLUTION—No. 101, dated 28th March 1898.

The Board begs to request the sanction of Government to the transfer of the Kaniyambadi ganja store-house and of the Javadi hills situated in the Pólur taluk from the Arni to the Vellore Circle charge. As has been already reported—*vide* Board's Proceedings, Mis. No. 2793, dated 4th July 1897, it has been found impossible to secure a site suitable for the store-house in the Pólur taluk and Kaniyambadi, which is in the Vellore taluk, and within a short railway journey of Vellore, has been selected for this purpose. The hills on which the ganja is cultivated lie between the two taluks, but are more easily accessible from Vellore than from Arni. At the same time the Vellore charge, which consists of only seven Sub-Inspectors' and four parties' ranges with good means of communication, is lighter than Arni even with the Javadi hills excluded, the latter circle comprising eleven Sub-Inspectors' and two parties' ranges.

2. In these circumstances, the Deputy Commissioner, Central Division, after consulting the two Inspectors, recommends that the ganja store-house and all work connected with it—there is practically no other work to be done in the tract in question—may be transferred to the charge of the Vellore Inspector—a recommendation which has the Board's support. If approved, it will bring the transfer into force from the close of April when an opportunity for moving the Arni Inspector into Vellore will occur. The transfer will, of course, nominally have effect from the 1st of that month.

3. A draft notification defining the limits of the Vellore and Arni circles, as affected by these Proceedings, is enclosed for approval and publication in the *Fort St. George Gazette*.
