1. Endorsement of the Ag.Under Secretary to Government, Revenue Department,Mis.No.6577,dated 10th December 1897,on Endorsement of the Public Works Department,No.5221 C,dated 5th December 1897.

And the following Reference thereon dated 14th December 1897 Forwarded to the Collector for report on the question raised in para 2 of the Public Works Department,Endorsement.

2. Also Letter from the Collector of Godavari,Dis.No. 613/Rev. of 1898,dated 7th February 1898.

-------:0:-------

Reference No.555,dated 25th March 1898.

Submitted for the orders of Government.

2. In its order No.4503 Rev.,dated 2nd November 1896 Government sanctioned the sale of one of the military buildings at Ramalcota,viz No.7 "staff Sergeant's quarters",to the District Board Godavari for the sum of Rs.500/-.The District Board now contends that two out-houses,Nos.5 & 6,which are in the compound of the main building, No.7,should be considered to have been included in the sale and should be transferred to the District Board with their sites free of cost-Letter from the President District Board No.1260/d/27th October 1897.The Public Works Department has no objection to the

transfer of the outhouses.

5. In the last read above, the Collector points out that building No.7 only was sold to the District Board for Rs.500/- and as the outhouses Nos.5 & 6 have separate book values, viz. Rs.200 & 500 respectively, the District Board should pay these amounts, if it wants the outhouses also. He recommends, however, that the sites of all the buildings in question may be granted to the District Board free of cost subject to the following conditions:-

(1) that the Local Board shall not have power to alienate the sites, as it is undesirable to allow private rights to grow up in the midst of a large extent of Government Land &

(2) that should the Government, at any future time, require the land for its own purposes, the Local Board shall be bound to surrender the same without compensation. The latter condition presumably relates to the site only. Compensation would be necessary for buildings standing thereon.

4. The Board supports the Collector's proposals.
