Inam.

Sanctioning the resumption of a charitable tank — in Kesavaram village, Rajahmundry taluk, Gódvári district, and the transfer of the assessment to the Taluk Board, Rajahmundry, on certain conditions.

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following Reference from the Board of Revenue (Land Revenue), No. 299, dated 17th March 1898 :—

Read—the following letter from V. A. BRODIE, Esq., Collector of Gódvári, to the Secretary to the Commissioners of Land Revenue, dated Cocanada, 1st September 1897, Ref. No. 3776-Ver. :—

I have the honour to state that the inam covered by title-deed No. 697 of Kesavaram, in the Rajahmundry taluk (formerly in the Kottapalle taluk), was confirmed by the Inam Commissioner on a quit-rent of annas 4 to Viryala Venkatanarasanna and another, so long as the tank for the upkeep of which it was originally granted was well kept up. The inam is classed as dharmadayam (charitable) in the Inam Fair register. The tank, for the upkeep of which it was granted, is called Viryala Venkatarayudu's tank. As the tank had been abandoned by the inamdars and was no longer in use, the tank-bed was surveyed and assessed at the time of the old survey and settlement and incorporated with the adjoining zeroyiti lands, but the inam granted for its upkeep is still enjoyed by the inamdars. As there is no necessity for the service on account of the tank for the upkeep of which the inam was granted, I recommend its resumption.

2. The inamdars state that they are willing to maintain the tank again if the same is subdivided and made over to them. But this request, of course, is unreasonable, now that they have allowed it to be out of use and abandoned it for over thirty years.

3. The survey extent of the inam is 9 acres 50 cents., with an assessment of Rs. 4-10-6. Deducting the quit-rent of annas 4, the net assessment amounts to Rs. 4-6-6. The amount being small, it is undesirable that the Taluk Board should bind itself in any way for the sake of its utilization. I therefore suggest the whole assessment may annually be credited to Government and that the land be incorporated with Government seri.

4. The inamdars have not produced the title-deed though called on to do so.

Reference on the above, dated 16th September 1897.

The Collector is informed that small incomes accruing from resumed inams may be transferred to Local Boards, which can accumulate such receipts and utilize them for objects of public utility. He is requested to state whether the Taluk Board is willing to accept the transfer of the assessment, in the present case, on this understanding and if so to forward a copy of its resolution agreeing to do so.

(Signed) R. C. C. CARR,
Secretary.
