From T. G. S. Partridge, Esq.

Collector of Madura.

To

The Secretary to the Commissioners of Land Revenue.

Thro'

The Conservator of Forests.

Sir,

I have the honour to submit a revised boundary description of the Umaiyar block for renotification under section 4 of the Forest Act. This is block No: 166, and was originally notified under section 4 in the Fort Saint George Gazette dated 21st June 1892, page 790.

2. The renotification was considered necessary by the Forest Settlement Officer, because the boundary line as demarcated differed from the notified boundary, and included a greater area.

This case is similar to the one reported to the Board in this office Ref: on Cur: No: 1019 dated the 14th September 1896

A surveyor recently surveyed the block, and the boundary has been perambulated by the present Ranger and also by his predecessor. The map and boundary description are based on the surveyor's map as checked by the Rangers: and I request that the revised boundary description

may

may be published in the Fort Saint George Gazette. The Rangers' perambulation certificates are enclosed.

I have the honour to be,
Sir,
Your most obedient servant,

Forest No. 221 Mis, dated 1st April 98.

Read Endorsement of the Conservator of Forests, S.C., dated 26 February 1898, No 3367 on letter from the Collector of Madura, dated 22-2-98, Ref. C No 1182.

Resolution

In the circumstances reported by the Collector, the Board approves the proposal to publish a revised notification in respect of the Elmaiyar block.

2. The draft notification, however, does not contain the usual heading indicating that it supersedes that already issued under Sec. 4 in G.O. No 613 dated 15.6.92. The Board has supplied the omission in the notification and submits it, as thus amended, to Government for approval and publication in the Fort Saint George Gazette.
