REVENUE BOARD OFFICE. MADRAS.

# Proceedings of the Board of Revenue

(Revenue Settlement, Land Records and Agriculture.)

Dated 18th April 1898.

No. 2635 Miscellaneous.

READ the following letter from the Collector of Nellore, No 11 Camp/Ver dated 5th April 98:

Requesting the collector of Nellore to explain certain high figures noted in his returns for december 1897.

With reference to Board's Proceedings No 1764 Miscellaneous dated 11th March 1898. I have the honor to state that the District Board Engineer, who started the work at Nurravada on the 22nd December 1897, erroneously classified the workers under A and D classes. When I subsequently inspected the work on 26th and 27 December, I re-classified the A class labourers in B class. The return for December having been closed on the 25th, the original classification appears in the L return.

Resolution The following letter will be despatched to the Government of India

"With

"With reference to para 7 of this office letter No 113 A dated 9th March 1898, I am directed to state that the Collector of Nellore reports that the large numbers shown in class A for December 1897 were placed in that class on December 22nd by the Local Fund Engineering Establishment when a certain work was opened, and that the error was rectified by him, on inspection of the gangs, four days afterwards; but in the meantime the accounts of the month had been closed and the erroneous classification thus appeared in the return".

2. A copy of this letter will be submitted to Government with reference to Board's Proceedings quoted in the letter
