Whether the Board's interpretation of S.O. no 37
may be approved. The Board considers that the
building to be erected on a plot of village ^{site} need
not necessarily be for ^{private} residences.

The Board seems to
be quite right. The grama-
naidam is assignable also
for public buildings intended
for the convenience &c of the
village community. I have
more than once given an
allotment for a village
temple or for the resting place
of a temple car.

COLLECTOR,

To

THE Secretary to the Commissioners of
Land Revenue. Madras

Sir,

I have the honor to state that in standing
order no 37 (new edition) there is no pro-
vision for the grant of village site to private
persons for the construction of rest-houses or
for any other charitable purposes. Lands
required for such purposes should now
be disposed of under the terms of the

681 P.M. Resolution of 6-2-1872 of the Government
of India (Vide B.O no 67 L.R & 22-2-1877)

To avoid the necessity of obtaining the
sanction of Government in petty cases,
I beg to suggest that the Standing Order
may be so amplified as to empower
Collectors to grant portions of village site

free of assessment for the construction of
rest-houses and other similar charitable
institutions so long as the land is used
for the purpose for which it is granted.

I have the honor to

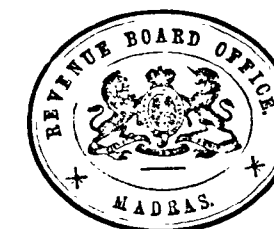

Sir,

Your most obedient servant,

(Sd) R. A. Mohie

Collector.

Resolution

Unclaimed portions of land assigned for " grama nattam" may be granted under Standing Order No. 37 (New Edition) for building purposes, and there is no express restriction of the grant to buildings intended for the permanent residence of a family-

2- In the Board's opinion the grant of a site on grama-nattam is permissible under the Standing Order for the erection of any building, which the Collector, in the exercise of a wise discretion, may consider likely to promote the convenience and well-being of the village community.

3- Presumably a Charitable rest-house such as that to which the Collector refers would come under this definition-
