Resolution

The Board requests that the Forest Temporary Establishment sanctioned under Go. Rev: No. 2198 mis, dated 6.6.1896 may be continued for a further period of two years commencing from 1st April 1898 to 31st March 1900. In its order No. 88 Rev: dated 15.2.98, Government has approved the Board's proposal to retain the five — Special Forest Settlement officers for the same period, and has addressed the

the Government of India on the subject. It is consequently necessary that the Establishment in the Board's office should be continued at least until the work of the Forest Settlement Officers is completed.

2. The following statement exhibits the state of settlement work as it stood on 1st April 1898:—

Particulars	No. of blocks	approximate area in sq. miles
Pending with the Board	52	447
Returned by Board for revision	30	603
Reports due from Collectors	387	3066
Pending with Government	19	114
Total	488	4230

The work of selection is almost complete in all the districts, and proposals for further reservation to the extent of about 2490 sq: miles (vide Cob: 24 of BP. 44 of 31-1-1898) are still due from

4083-97
15-0-98

Collectors and notifications under section 4. in respect of these areas will be coming in for the Board's approval. The number of blocks pending with the Board in May 1896 under sections 16 and 4 was 131 and 40, respectively, while in the 23 months that followed, 324 blocks under sec. 16 and 416 under sec 4 were received, making a total of 455 and 456 blocks respectively, of these 419 under sec. 16 and 454 under sec 4 were checked during the period, leaving a balance of 36 and 2 blocks respectively at the close of march last. The fifty-two blocks under sec. 16 shown above as pending with the Board, are made up of these 36 blocks, and of 16 others, the settlement records of which were in the press

press on the 1st instant. Pressure has been brought to bear upon the establishment so as to reduce the arrears as much as possible; and the work turned out is subjected to rigorous scrutiny at regular intervals. The Board considers that the work remaining to be done will occupy the Establishment for two years and more.

3. In these circumstances the Board requests the early sanction of Government for the existing Establishment as noted on the margin. The charge can be met from the provision in the Forest Budget under B.I (b).

For orders.

In G.O. No 2198 dated the 6th June 1896, the Govt sanctioned the retention until the 31st March 1898, of the marginally noted temporary Establishment employed in the Board's office on Forest Settlement work.

Now the Board of Revenue solicits sanction for the continuance of the same establishment for a further period of two years ie from 1st April 1898 to 31st March 1900. The Govt having in its order No 88 dated 15th February 1898 accepted the Board's recommendation to retain the five special forest settlement officers for a further period of two years, and addressed the Govt of India for sanction, the Board adds that it is necessary that the temporary Establishment

temporary establishment in its ~~the~~ Board's office should be continued at least until the work of the Forest Settlement officers is completed. The orders, however, of the Govt of India on the proposal to retain the Special forest Settlement officers have not yet been received and the Govt of India was recently reminded.

A draft order sanctioning the Board's request is put up on the docket of the Current for approval, but it seems a question whether the orders of the Govt of India regarding the Forest Settlement Officers should be awaited before disposing of the present Current.

MK 21/4/98 Seen I submit the Establishment should be sanctioned at once. Even if the Govt of India decline (on the previous date) to continue the Special F.S.Os, Forest Sett work must go on, being done by Rev Dive Officers as at present, and the work will pass on to the Collectors when the Sett Officers are withdrawn

Hon. It may be sanctioned at once. If the orders of the S.F.O. or the J.S. make any radical alteration, the orders can be subsequently cancelled
