C. 27/4/98.

PROCEEDINGS OF THE BOARD OF REVENUE
(SEPARATE REVENUE).

RESOLUTION—No. 76, dated 5th March 1898.

Under the existing rules regarding the grant of permits contained in the notifications tabulated on pages 35 to 37 of the Excise manual the power to grant general permits for transport of toddy from shop to shop is confined to Revenue officers.

2. It has been represented to the Board that in view of their superior knowledge of the circumstances of each shop and tope Inspectors and Assistant Inspectors of the Salt, Abkári and Customs Department are as well qualified as Revenue officers to issue these permits and at the same time that it is desirable that they should issue them in the generality of cases so that they may have information regarding the movements of toddy and thus be able to ensure correctness in shop valuations. This view appears to the Board to be correct and it therefore directs that Collectors be authorized to delegate the power of issuing general permits to Inspectors and Assistant Inspectors within their circles concurrently with Revenue officers.

3. A notification to this effect will be published in the *Fort St. George Gazette.*
