*Dated 24th March 1898.*

*Resolution:-*

The rates of cess fixed for Excise factories and for the extensions worked under the modified Excise System for the year 1898-99 are as noted in the margin. The new rates should be brought into force from the 1st April 1898 and Officers in charge of factory circles should collect the cess at their rates from that date.

2. The rate fixed for the Vadasamanjeri and Covelong factories should be levied only in the event of manufacture taking place in them in the current season. If there should be no manufacture in them the rates to be adopted from the 1st April next are 2 pies for Vadasamanjeri and 4 pies for Covelong.

3. In addition to the cess of 10 pies fixed for the Vedaranniyam factory for 1898-99 an extra cess of one pie should be charged from the 1st April 1898 on every maund of Vedaranniyam Excise Salt sold from the Negapatam platform to cover the interest on the capital cost of the portion of platform set apart for the Vedaranniyam licensees' use and the charges for its upkeep.

4. Separate orders will issue in the case of the Kanuparti factory and of those in the Vayalur and Ennore circles
