Dated Calcutta, 4th April 1898.

SIR,

I have the honour to acknowledge receipt of your letter No. 182, dated the 25th March last, and in reply to state that it is not intended to depute Mr. Middlemiss to Karnool during the next field season. That Officer is at present on privilege leave, on the expiry of which, he will be ordered to rejoin at head quarters, in order to compile an exhaustive report on both the Salem, and Coimbatore Districts, which may now be considered as finished.

2. As regards Mr. Holland, this officer is still engaged in the Survey of South — Canara and Coorg; the preparation of the report will occupy some time, as all the collections have to be assayed and examined. A copy of the report

will however be furnished the Madras Government when finished.

3. I may mention that I purpose shortly proceeding on tour in the Madras Presidency when I shall communicate further with you in regard to the Geological Survey of that Presidency.

I have the honour to be

Sir,

Your most obedient servant

C. J. Fisher
