Proceedings of the Board of Revenue

(Land Revenue).

No. 923 mis: dated 31st March 1898.

Read — endorsement of Government, Revenue Department, mis: No. 1106, dated 4th March 1898.

Resolution:- In the letter from the Government of India (Military Department) No. 3461 B dated 30th December '97 communicated with G.O. 305 mis 19.1.98 Revenue, an assignment of land revenue of Rs. 250/- per annum from land in Vellore in the North Arcot District was sanctioned to Subadar Abdul Rahim Sardar Bahadur, then of the 4th Madras Infantry.

2. In his letter forwarded to the Board with the G.O. read above, the Commandant of the IV Pioneers applies for information on the

following

following points in connection with the assignment above referred to.

(1) How and from whom is the money to be drawn

(2) Is this native officer entitled to the title of Jaghirdar after his name and

(3) What steps should be taken to comply with the last paragraph on the reverse of Madras Army form No. 163.

3. With reference to the first query, the Board submits that the G.O. quoted in para 1 supra has already been communicated to the Collector of North Arcot in view to the necessary steps being taken in the matter. The grantee has to select the village from which the assignment should be made and after this is done, the Collector will make an assignment of land revenue to the extent of Rs 250/-, plus 20 per cent for vicissitudes of season and cost of collection, provided the pattadars consent to such an arrangement. If they do not consent, the grantee must receive a permanent pay order from the Accountant-General. (vide G.O. 5062 Rev. Misc. 22-12-94). The allowances will, in this case, be paid direct from the treasury.

4. Second query. The word Jaghir was applied to a tract of land, in which the right to collect revenue was made over to a servant of the State. Such assignments were made by Government during the early part of the British rule. In regard to the assignment under reference no title deed can be issued and the assignee does not seem to be entitled to the title of Jaghirdar.

5. Third query. The paragraph referred to in this query lays down the rules regarding the devolution of the grant after the grantee's death; accordingly nothing has to be done at present.
