GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Irrigation.

READ—the following papers :—

From Lieut.-Colonel O. V. BODDY, R.E., Superintending Engineer, VI Circle, to the Chief Engineer for Irrigation, dated Trichinopoly, 4th March 1898, No. 149 T.N.

I have the honour to inform you that the execution of the Tank Restoration Scheme works situated in Ottappidáram taluk, and noted in the margin, were entrusted to the Revenue Department in Tinnevelly division, as most of the subordinates were then transferred to famine duty. I forward a copy of the Executive Engineer's letter No. 1442, dated 17th April 1897, on the subject, and, under the circumstances, I request that you will be good enough to obtain the sanction of Government to the procedure adopted, if such sanction is requisite, under paragraph 80, Chapter III, Vol. I, P.W.D. Code.

(1) Closing breaches in Iyenkulam of Olaikulam village, estimate Rs. 85.
(2) Closing breaches in Suriamanikkan Periyakulam, estimate Rs. 42. Register No. 6 T./T. of 1897-98.

ENCLOSURE.

From M.R.Ry. W. MASILAMANI MUDALIAR, Supervisor, No. II Party, Tank Restoration Scheme, to the Executive Engineer, Tinnevelly Division, dated 14th April 1897, No. 101.

I beg to report that I have submitted to the Chief Engineer for Irrigation, Tank Restoration Scheme, estimates for closing breaches in Iyenkulam of Olaikulam village and Suriamanikkankulam of the village of the same name, Ottappidáram taluk, and copies of them are herewith submitted.

2. I request for favour of early orders to close the breaches in anticipation of sanction.

No. 1442.

Copy forwarded to the Superintending Engineer for information. The tanks, for which estimates are sent, are minor tanks in Ottappidáram taluk too far away from the head-quarters of the Sub-division officer, Srívaikuntam, and of the Supervisor at Srívilliputtúr. They are not far from the limits of Tinnevelly taluk, but there is now no subordinate in that taluk. It is therefore requested if the estimates may be sent to the Collector with a request to get them executed in his department.

(Signed) S. GOPALAKRISHNA AIYAR,
17th April 1897. Ex. Engr., Tinnevelly Divn.

To the Examiner, Public Works Accounts, dated 14th March 1898, No. 82.

Office-note from the Examiner, Public Works Accounts, dated Madras, 19th March 1898, No. 832 B./A.

The execution of the work in question by other than the Public Works Department has been reported to Government in the Provincial Objectionable Items Statement as objectionable with reference to Code Vol. I, Chapter III, paragraph 80, and it is therefore necessary to regularise the objection by an order of Government.

No. 115 I.

Note by the Chief Engineer for Irrigation.

The marginally-noted works in Ottappidáram taluk, Tinnevelly division, were executed by the Revenue Department, as most of the Public Works Department subordinates in that division were then on famine duty. The Superintending Engineer, VI Circle, applies for sanction to the procedure adopted, which may be accorded.
