Dated 21st April 189 8.

READ the following letter from C.H. Mounsey Esqr, I.C.S. ag. ~~the~~ Collector of Salem No.1536 dated 5th April 1898:-

R eferring to G.O.No.174 R evenue dated 23rd Ultimo communicated in Board's Proceedings No.2237 Mis dated 31st idem, I have the honour to state that what I suggested was that the mules should be marched about with the Donkey stallions when they are moved through the sub-division Taluks the kit &c, being transported on them, and I request that this may be done, as to merely exhibit them, once a year, at the show may not be sufficient.

R esolution.

Submitted for the con sideration of Government, in contin uation of Board's Proceedings No.74 dated 12th F ebruary 1898. To carry out Mr.Mounsey's proposal, it would be necessary to purchase two mules as they would be required during the whole year, and an attendant would be required for each. It is doubtful wh ether any tangible results would follow the increased expenditure. The Board thinks that the orders already passed may stand.

Informing Govt the arrangements proposed for sending mules and attendants to each pony show and requesting the favour of certain information re: the cost likely to be incurred & the number of shows to which mules &c would be required &c.

To the Board (R.S.)

Note.

Two pony shows are now being held every year one at Berikai in Salem & the other at Tiruppur in Coimbatore, and it would appear that the Show Cash Establishment is sanctioned for only one day (Gos 666 d 2.8.97 & 1748 d 23.3.98). It is submitted that

that before approving of the proposal contained in the Dy: Adjutant General's letter & furnishing him with the above information the Board of Revenue may be first Consulted.

Horses-Pony Shows.

Cotacamund,

No. 1/3-6024

14th. April 1898.

From

The Dy. Adjutant General, Madras Command,

To

The Secretary to the Government of Madras,

Revenue Department.

Sir,

With reference to Proceedings of Government Revenue Department No. 174 dated 23rd. March 1898, I have the honor to inform you that it is proposed to arrange for the follow-ing mules and attendants to be sent to each pony show:-

(a)2 mules-draught- with an Army Transport cart and harness complete and 1 attendant.

(b)1 mule, pack, with pack gear complete and 1 attendant.

1 Duffadar in charge.

2. It is considered that this would admit of the ani-mals being shown and worked in both "Draught" and"Pack" which is presumably what is desired.

3. To enable an estimate to be prepared showing the extra cost likely to be incurred , which it is surmised will be met by Government, I am to enquire whether the above pro-posal is approved and to request the favor of information on the following points:—

(a)the number of shows to which mules &C would be required to be sent and the stations at which they are held.

(b)How long these fairs last, i.e., the period for which the animals and their attendants would be required.

I have the honor to be,

Sir,-

Your obedient servant,

C. Hickson

Brigadier-General,

Deputy Adjutant General.

For orders.

In para 4 of his report on the pony show held at Berikai on the 6th January last, the Collector of Salem, Mr. Mounsey, stated that a "possibly if some grown and working "mules could be marched about "with the donkey stallions, and "their stamina and usefulness "shown to the rijots, it might "encourage much breeding."

In submitting the report to Govt., the Board of Revenue observed that the Collector's proposal was deserving of consideration, as it was calculated to encourage the mule breeding industry and suggested to Govt that the Military Deptt might be addressed with

23.3.98. GT.

para 3 in page 9 of the above G.O.

C.S. 74/98

The Board of Revenue, however, says that to carry out Mr Mounsey's proposal it would be necessary to purchase two mules, as they would be required during the whole year, and that each would require an attendant. The Board doubts whether any tangible results would follow the increased expenditure and considers that the orders already passed may stand.

Orders are requested as to whether the Board's view may be concurred in and the result of the exhibition of the mules at the shows during the next two or three years may be awaited before taking action as desired by the Collector.

Mk 26/4/28 Secy

The Board's proposal seems sufficient for the present. The Board may be asked to report on the D. A. G's proposal in the order in Cen No 2876 may be incorporated in the order in the present current No 2063 Allowed
