No.2709 Mis.

READ the following letter from ^{Ch. Mounsey Esq., J.C.S. Esq.} the Collector of Salem No.1536 dated 5th April 1898:-

Referring to G.O.No.174 Revenue dated 23rd Ultimo, communicated in Board's Proceedings No.2237 Mis dated 31st idem, I have the honour to state that what I suggested was that the mules should be marched about with the Donkey stallions when they are moved through the sub-division Taluks, the kit &c. being transported on them, and I request that this may be done, as to merely exhibit them, once a year, at the show may not be sufficient.

Resolution.

Submitted for the consideration of Government, in continuation of Board's Proceedings No.74 dated 12th February 1898. To carry out Mr.Mounsey's proposal, it would be necessary to purchase two mules as they would be required during the whole year, and an attendant would be required for each. It is doubtful whether any tangible results would follow the increased expenditure. The Board thinks that the orders already passed may stand.

certain information re: the cost
likely to be incurred & the num-
ber of shows to which mules

Horses-Pony Shows.

Cotacamund,

No. 174-6024

14th. April 1898.

From

The Dy. Adjutant General, Madras Command,

To

The Secretary to the Government of Madras,

Revenue Department.

Sir,

With reference to Proceedings of Government Revenue Department No. 174 dated 23rd. March 1898, I have the honor to inform you that it is proposed to arrange for the following mules and attendants to be sent to each pony show:-

(a) 2 mules-draught- with an Army Transport cart and harness complete and 1 attendant.

(b) 1 mule, pack, with pack gear complete and 1 attendant.

1 Baffadar in charge.

2. It is considered that this would admit of the animals being shown and worked in both "Draught" and "Pack" which is presumably what is desired.

3. To enable an estimate to be prepared showing extra cost likely to be incurred, which it is surmised will be met by Government, I am to enquire whether the above proposal is approved and to request the favor of information on the following points:-

(a) the number of shows to which mules &c would be required to be sent and the stations at which they are held.

(b) How long these fairs last, i.e., the period for which the animals and their attendants would be required.

I have the honor to be,

Sir,-

Your obedient servant,

C. Dickinson

Brigadier-General,

Deputy Adjutant General.

In para 4 of his
report on the pony show held
at Berikhai on the 6th January
last, the Collector of Salween,
Mr. Mounsey, stated ^{that} ~~the~~ ^{possibly} ~~possibly~~
"if some grown and working
"mules could be marched about
"with the donkey stallions, and
"their stamina and usefulness
"shown to the natives, it might
"encourage much breeding."

para 3 in page 7 of the
above Ljo.

In submitting the report
to Govt., the Board of Revenue
observed that the Collector's
^{above} proposal was deserving of
consideration, as it was calcu-
lated to encourage the mule
breeding industry and ^{accordingly} ~~suggested~~
to Govt. that the Military
Dept. might be addressed
with

C294/98.

The Board of Revenue, however, says that to carry out Mr Mounsey's proposal it would be necessary to purchase two mules, as they would be required during the whole year, and that each would require an attendant. The Board doubts whether any tangible results would follow the increased expenditure and considers that the orders already passed may stand. Orders are requested as to whether the Board's view may be concurred in and the result of the exhibition of the mules at the shows during the next two or three years may be awaited before taking action as ^{desired} ~~desired~~ by the Collector.

Mk
26/4/88. Luv

The Board's proposal seems insufficient for the present. The Board may be asked to report on Mr D.H.G.'s proposal in the order in Gen No 2876 may be incorporated into the order in the present current No 2067. All the mules.
