REVENUE BOARD OFFICE. MADRAS.

Read the following :-

1. Government Order, Revenue Department, No.406, dated 2nd March 1897, And the following Reference thereon dated 15th March 1897.

From the extract from the Proceedings of the District Board Godavari, received with the Government Order read above, it would appear that the District Board desires to have a notification published in the Fort Saint George Gazette under section 3 of the Canals and Public Ferries Act II of 1890, defining the limits of the several ferries now under its management. The list submitted by the District Board is defective, in that it does not state the distance along each bank of the river, included between the proposed limits of each ferry. Again, in several instances, the limits of the ferry are not described by specific land marks referring to each bank of the river. The Collector is requested to call upon the District Board to revise the list accordingly and to submit a draft notification under section 3 of Act II of 1890. The Collector is at the same time requested to submit his remarks on the subject.

2. Memorandum from the Ag. Assistant Secretary to Government, Revenue Department, No. 525, dated 15th September 1897.

And the following Reference thereon 22nd September 1897.

Communicated to the Collector of Godavari with the request that the reply to Board's reference dated 15th March 1897 on Government Register No.461 of 1897 may be submitted at an early date.

5. Memorandum from the Ag. Under Secretary to Government, Revenue Department, No.418, dated 16th November 1897

And the following Reference thereon dated 22nd November 1897.

Communicated to the Collector of Godavari in continuation of reference dated 15th March 1897 on Government Register No.461 of 1897 and Reference dated 22nd September 1897, on Government Register No.1844 of 1897, with the request that the submission of a reply to these, may be expedited.

4. Also Letter from the Collector of Godavari, Dis.No.962Rev. of 1898, dated 5th March 1898.
