(LAND REVENUE.)

Read the following letter from the
Acting Collector of South Canara, to the Conservator
of Forests, Southern Circle, dated 22nd March 1898,
Sup. Can No 360-For.

I have the honor to state that under
Rule II of the revised Kumbhikar rules published
in Fort Saint George Gazette dated 11th August 97
the felling of Kumbhikar (Hopea Parviflora), a
reserved tree, is permitted without a permit from
the District Forest Officer. These rules have now
been in force for about 18 months and experience
shows that this concession is being abused by
the Kumbhikars.

There is a great demand for Kumbhikar
timber in the Coast villages and the result is
Kumbhikars are felling these trees far beyond the
domestic wants. The timber is stacked and as an
opportunity occurs it is passed on for sale
under a wary permit. I therefore recommend
that the concession granted under Rule II so far as
it refers to Kumbhikar be withdrawn.

Read

Read also the following Endorsement thereon by
the Conservator of Forests, S.C., dated 29 March 98,
No. 3787.

Forwarded to the Board of Revenue.

The proposal of the Collector has the
Acting Conservator's approval, as Kiriabhoji
(Aspea Parviflora) is a most valuable timber
tree and considered quite on a par with teak
in the Southern Districts of the Presidency.

Reference No. 174, dated 16.4.98.

Submitted to Government.

2. Kiriabhoji (Aspea Parviflora) was inserted
as an exception under Rule II with reference to
the Collector's recommendation contained in paragraph
20 of his letter of the 24th December 92 printed in
B.P. J. No. 82 dated 20 February 1895 disposed
of in G.O. No. 302 Res. dated 17.9.96. As the concession
is now reported to have been abused, the Board is of
opinion that the rule should be amended by
striking out the word "Kiriabhoji". A draft
notification is accordingly submitted for approval
and publication in the Fort Saint George Gazette.
