REVENUE BOARD OFFICE. MADRAS.

Read the following letter from the Acting Collector of South Canara, to the Conservator of Forests, Southern Circle, dated 22nd March 1898. Lap. Cir No 360-For.

I have the honor to state that under Rule II of the revised Kumaki rules published in Fort Saint George Gazette dated 11th August 97 the felling of Kiralbhoji (Hopea Parviflora), a reserved tree, is permitted without a permit from the District Forest officer. These rules have now been in force for about 18 months and experience has shown that this concession is being abused by the Kumakidars.

There is a great demand for Kiralbhoji timber in the Coast villages and the result is Kumakidars are felling these trees far beyond their domestic wants. The timber is stacked and as an opportunity occurs it is passed out for sale under a waraj permit. I therefore recommend that the concession granted under Rule II so far as it refers to Kiralbhoji be withdrawn.

Read

Read also the following Endorsement thereon by the Conservator of Forests, S.C, dated 29 March 98, No 3787.

Forwarded to the Board of Revenue.

The proposal of the Collector has the Acting Conservator's approval, as Kiralbhoji (Hopea Pariflora) is a most valuable timber tree and considered quite on a par with teak in the Southern districts of the Presidency.

Reference No 174, dated 16.6.98.

Submitted to Government.

2. Kiralbhoji (Hopea Pariflora) was inserted as an exception under Rule II with reference to the Collector's recommendation contained in paragraph 20 of his letter of the 24th December 92 printed in B.P. & No 82 dated 20 February 1895 disposed of in G.O. No 302 Rev, dated 1.7.96. As the concession is unreported to have been abused, the Board is of opinion that the rule should be amended by striking out the word "Kiralbhoji". A draft notification is accordingly submitted for approval and publication in the Fort Saint George Gazette.
