Except in Tinnevely, the variations are ascribed either to the rectification of errors or to fractions of a rupee being rounded off. The decrease in Tinnevely has not been explained. The Collector states that the variation occurred in the Tinnevely taluk and that the Tahsildar has been asked to report on the matter.

MARCH.

Reviewing the Demand, Collection and Balance statements of land revenue and cesses for January 1898.

1898

PROCEEDINGS OF THE BOARD OF REVENUE
(LAND REVENUE).

READ—Demand, collection and balance statements of land revenue and cesses in the several districts of the Madras Presidency for January 1898.

RESOLUTION—No. 54, dated 9th March 1898.

According to the demand, collection and balance statements for January 1898, the arrear demand at the commencement of fasli 1307 amounted to Rs. 36,46,047 or Rs. 1,14,154 less than that shown in the statements for the previous month. The variations are noted in the margin. The decreases in Cuddapah, Anantapur and Kurnool are ascribed to the adoption of revised figures with reference to the jamabandi of fasli 1306 at which extensive remissions had to be granted. The increase in Ganjám is due to revision of the land-cess demand on certain zemindari and proprietary estates for fasli 1306, while that in Tinnevelly is ascribed to the correction of errors.

2. *Arrears.*—Out of the arrear demand of Rs. 36,46,047 mentioned above, Rs. 21,37,539, or 58.6 per cent. were collected, Rs. 16,437 were written off the accounts, while Rs. 94,833 are irrecoverable, leaving a recoverable balance of Rs. 13,97,238.

3. The subjoined statement exhibits the recoverable balance in each district, together with the steps taken for its recovery or the reasons that preclude the taking of such steps:—

4. Of the arrears outstanding at the end of the month, Rs. 28,500 (columns 2, 3 and 4) have been either collected since the end of the month, or are in process of adjustment, or have been ascertained to be irrecoverable.

No immediate steps can be taken for the recovery of Rs. 10,98,346, as the arrear is due from estates which are under Government management, or which belong to minors (column 5), or its collection has been postponed (column 6).

5. The postponement of collections has been ordered in the districts shown below:—

In its Proceedings noted in the margin, the Board in the Settlement Department ordered that, pending the settlement of the question of granting dry remissions in the affected parts of the Cuddapah, Anantapur, Bellary and Kurnool districts, the collection of revenue due from the ryots in those parts should not be pressed and that the collection of the unremitted portion of the dry assessment should be postponed till the current fasli. The amounts appearing against these districts represent the balance remaining uncollected out of the postponements sanctioned in the orders above referred to. Of the amount shown against Tinnevelly Rs. 4,188 represent second-crop assessment imposed on certain mitta lands, and the collection of the amount depends on the decision of a suit filed against Government in respect of the charge. The collection of the balance, Rs. 2,849, has been suspended by the Collector pending decision of certain appeals preferred to him. Of the amount shown against Malabar, Rs. 1,098 represent the janmabhogam due on certain estates and the collection of the amount has been suspended by the Collector pending inquiry into the objections of the proprietors thereof. The remainder, Rs. 192 also represent janmabhogam due on certain lands in

6. The arrears, for which processes have been issued, amounted to Rs. 2,35,241.

The steps taken for the realization of this sum are shown in the margin. The amounts covered by demand notice No. 1 occur largely in Ganjam, Cuddapah, Anantapur, Bellary and Kurnool which are affected districts.

7. Of the amounts shown under "other items", those appearing against Cuddapah and Tinnevely call for remarks. The major portion of the amount appearing against Cuddapah is reported to have been included in the demand pending the adoption of the settled demand in the

8. In round numbers the recoverable balance for the Presidency at the end of the month was Rs. 13,97,000 out of an arrear demand of Rs. 36,46,000 at the beginning of the fasli. The corresponding figures of the previous year were Rupees 83,000 and Rs. 9,85,000. The collections in the month aggregated Rupees 3,67,000 as against Rs. 22,000 in January 1897.

9. *Old arrears.*—The marginal statement exhibits the arrears of fasli 1305 outstanding at the beginning and end of January 1898.

10. *Current*.—According to the demand, collection and balance statements for January 1898, the total *current* demand up to the end of the month amounted to Rs. 1,88,64,961 against Rs. 1,84,20,821 and Rs. 1,92,87,993 in faslis 1306 and 1305, respectively. Of this sum Rs. 1,66,68,748 or 88·4 per cent. were collected before the close of the month, leaving at the end of it a balance of Rs. 21,96,213 or 11·6 per cent. of the demand against 6·1 per cent. and 18·5 per cent. at the end of January 1896 and 1897, respectively. The subjoined statement shows by districts the demand, collection and balance of current kists and the proportion of the balance to the demand:—

noted in the margin. A portion thereof appears, however, to have been collected since the end of the month or to be covered by processes. The remainder, for which special explanation is furnished by Collectors, is referred to below. In Cuddapah, the collection of Rs. 2,61,200 is stated to have been suspended, apparently with reference to Board's Proceedings, No. 9935, Settlement, dated 15th December 1897 and No. 585, Settlement, dated 27th January 1898, and Rs. 98,294 represent the current demand not covered by processes. The balance of Rs. 13,120 in Cuddapah and Rs. 15,134 in North Arcot represent assessments on waste and shavi which are likely to be remitted at Rs. 10,561 against North Arcot, as the amount is due from estates which are under Government management or which belong to minors.

In respect of the amount shown against Kurnool, and Rs. 17,407 in Bellary it is stated that no processes have been issued as lists of defaulters were not furnished to the taluks by the kurnams before the submission of the demand, collection and balance statement to Collectors.

Demand, Collection and Balance Statements.

Recording Board's Proceedings reviewing the — of land revenue and cesses for
January 1898.

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue (Land Revenue), No. 54, dated 9th March 1898 :—

Read—Demand, collection and balance statements of land revenue and cesses in the several districts of the Madras Presidency for January 1898.

Resolution—No. 54, dated 9th March 1898.

According to the demand, collection and balance statements for January 1898, the arrear demand at the commencement of fasli 1307 amounted to Rs. 36,46,047 or Rs. 1,14,154 less than that shown in the statements for the previous month. The variations are noted in the margin. The decreases in Cuddapah, Anantapur and Kurnool are ascribed to the adoption of revised figures with reference to the jamabandi of fasli 1306 at which extensive remissions had to be granted. The increase in Ganjām is due to revision of the land-cess demand on certain zemindari and proprietary estates for fasli 1306, while that in Tinnevely is ascribed to the correction of errors.

2. *Arrears*.—Out of the arrear demand of Rs. 36,46,047 mentioned above, Rs. 21,37,539, or 58.6 per cent. were collected, Rs. 16,437 were written off the accounts, while Rs. 94,833 are irrecoverable, leaving a recoverable balance of Rs. 13,97,238.

3. The subjoined statement exhibits the recoverable balance in each district, together with the steps taken for its recovery or the reasons that preclude the taking of such steps.

4. Of the arrears outstanding at the end of the month, Rs. 28,500 (columns 2, 3 and 4) have been either collected since the end of the month, or are in process of adjustment, or have been ascertained to be irrecoverable.

No immediate steps can be taken for the recovery of Rs. 10,98,346, as the arrear is due from estates which are under Government management, or which belong to minors (column 5), or its collection has been postponed (column 6).

5. The postponement of collections has been ordered in the districts shown below :—

In its Proceedings noted in the margin, the Board in the Settlement Department ordered that, pending the settlement of the question of granting dry remissions in the affected parts of the Cuddapah, Anantapur, Bellary and Kurnool districts, the collection of revenue due from the ryots in those parts should not be pressed and that the collection of the unremitted portion of the dry assessment should be postponed till the current fasli. The amounts appearing against these districts represent the balance remaining uncollected out of the postponements sanctioned in the orders above referred to. Of the amount shown against Tinnevely Rs. 4,188 represent second-crop assessment imposed on certain mita lands, and the collection of the amount depends on the decision of a suit filed against Government in respect of the charge. The collection of the balance, Rs. 2,849, has been suspended by the Collector pending decision of certain appeals preferred to him. Of the amount shown against Malabar, Rs. 1,098 represent the janmabhogam due on certain estates and the collection of the amount has been suspended by the Collector pending inquiry into the objections of the proprietors thereof. The remainder, Rs. 192 also represent janmabhogam due on certain lands in

the Wynaad taluk and its collection has been postponed pending submission of the report called for in Government Order, No. 531, dated 20th October 1896. Rs. 536, appearing against Chingleput are due on certain lands taken up for public purposes and the collection of the amount has been suspended pending the settlement of compensation.

6. The arrears, for which processes have been issued, amounted to Rs. 2,35,241.

Arrears for which land was attached or notified for sale ...	17,182
Total ...	2,35,241

The steps taken for the realization of this sum are shown in the margin. The amounts covered by demand notice No. 1 occur largely in Ganjam, Cuddapah, Anantapur, Bellary and Kurnool which are affected districts.

7. Of the amounts shown under "other items", those appearing against Cuddapah and Tinnevelly call for remarks. The major portion of the amount appearing against Cuddapah is reported to have been included in the demand pending the adoption of the settled demand in the

Jammalamadugu and Pulivendla taluks. Of the amount appearing against Tinnevelly, Rs. 3,604 represent sale-proceeds of lands placed under Revenue deposit to be adjusted after confirmation of sales by Divisional-officers and Rs. 216 are to be adjusted from Local Funds.

8. In round numbers the recoverable balance for the Presidency at the end of the month was Rs. 13,97,000 out of an arrear demand of Rs. 36,46,000 at the beginning of the fasli. The corresponding figures of the previous year were Rupees 83,000 and Rs. 9,85,000. The collections in the month aggregated Rupees 3,67,000 as against Rs. 22,000 in January 1897.

9. *Old arrears.*—The marginal statement exhibits the arrears of fasli 1305 outstanding at the beginning and end of January 1898.

Arrears relating to fasli 1304 and previous years are found in the eight districts shown in the subjoined statement:—

* Due to rounding off of fractions.

The whole of the arrears shown against Chingleput and South Arcot and Rs. 124 against Vizagapatam continue undiminished for the reasons explained in paragraph 9 of Board's Proceedings, No. 422, dated 1st December 1897. The balance of Rs. 10 in Vizagapatam is under enquiry. In Ganjam, Rs. 15 are stated to be under enquiry and the remaining sum of Rs. 12 is covered by processes. The amount shown against Tanjore represents water-rate and cesses charged on certain inam lands and the Collector states that this sum will be included in the statement of irrecoverable arrears for the current quarter, under the orders contained in Government Order, Mis. No. 5883, dated 16th November 1897. Of the amount shown against Trichinopoly Rs. 27 are considered irrecoverable and Re. 1 is under enquiry. In Tinnevelly, Rs. 23 are covered by processes, Rs. 20 are adjustable from excess collections, deposits or other heads of accounts, Rs. 2 are considered irrecoverable, and the collection of Rs. 1,309 depends upon the decision of a suit filed against Government. The whole of the amount appearing against Malabar relates to the Wynaad taluk, of which Rs. 1,224 are covered by processes and Rs. 31 are stated to be under enquiry. The remainder, Rs. 430, is due on certain estates and the collection of the amount has been suspended by the Collector pending enquiry into the objections of the proprietors thereof.

10. *Current.*—According to the demand, collection and balance statements for January 1898, the total *current* demand up to the end of the month amounted to Rs. 1,88,64,961 against Rs. 1,84,20,821 and Rs. 1,92,87,993 in faslis 1306 and 1305, respectively. Of this sum Rs. 1,66,68,748 or 88.4 per cent. were collected before the close of the month, leaving at the end of it a balance of Rs. 21,96,213 or 11.6 per cent. of the demand against 6.1 per cent. and 18.5 per cent. at the end of January 1896 and 1897, respectively. The subjoined statement shows by districts the demand, collection and balance of current kists and the proportion of the balance to the demand:—

11. The balances exceeded half a lakh of rupees in each of the thirteen districts noted in the margin. A portion thereof appears, however, to have been collected since the end of the month or to be covered by processes. The remainder, for which special explanation is furnished by Collectors, is referred to below. In Cuddapah, the collection of Rs. 2,61,200 is stated to have been suspended, apparently with reference to Board's Proceedings, No. 9935, Settlement, dated 15th December 1897 and No. 585, Settlement, dated 27th January 1898, and Rs. 98,294 represent the current demand not covered by processes. The balance of Rs. 13,120 in Cuddapah and Rs. 15,134 in North Arcot represent assessments on waste and shavi which are likely to be remitted at the jamabandi. No immediate steps can be taken for the recovery of the balance of Rs. 10,561 against North Arcot, as the amount is due from estates which are under Government management or which belong to minors.

In respect of the amount shown against Kurnool, and Rs. 17,407 in Bellary it is stated that no processes have been issued as lists of defaulters were not furnished to the taluks by the kurnams before the submission of the demand, collection and balance statement to Collectors.
