Submitted to Government for sanction which the Board requests may be communicated to the Collector direct.

2. The Board would again respectfully request that the question of sanction in cases such as that now reported for orders may be reconsidered. The Government has been pleased to extend the Board's powers of sanction to periods of six months (vide G.O. 609 J.L. 3-8-97), but it will be seen that the extended powers are of no avail

will in the present instance. The period of probation in the Police Department for Inspectors is two years, and it follows that the Board can never allow a subordinate in the Revenue Department to take up such a post without, in due course, obtaining the sanction of Government on the subject of the said subordinate's lien on his permanent appointment.

3. It is observed that the question has been brought to the notice of Government in para 2 of Board's Proceedings 365 - dated 1st November '97 on which the orders of Government are awaited.
