REVENUE BOARD OFFICE MADRAS

Proceedings of the Board of Revenue

(Separate Revenue),

Dated 28th March 1898.

His. **No.** 1259.

Read again Board's Proceedings His.No.5462,dated 10th December 1897,requesting the Collector of Madras to report the correct actual charges during 1896-97 on account of Income-tax establishment in the Collector's and Deputy Collector's offices,Fourts,and to explain the cause of the increase of Rs.269 over the sanctioned scale.

Read also letter from the Collector of Madras Dis. No.290,dated 12th February 1898,explaining the difference between the Accountant-General's figures and those already given by this office as Income-tax Establishment charges for -- 1896-97,and Board's reference thereon dated 27th February -- 1898,requesting the Accountant-General to state whether certain sum of Rs.220 shown against "Income-tax Establishment-- charges in the copy of the statement of charges forwarded to the Collector of Madras should not be debited to"Allowances" in his accounts.

Read

Read also letter from the Accountant-General,Madras,No.I.A.B/921,dated 11th March 1898,stating that no alteration can be made in the accounts of 1896-97 with regard to the debit of conveyance allowance of temporary Income-tax Inspector.

RESOLUTION.

With reference to Government Order No.929,Revenue, dated 11th November 1897 the Board have to reply as follows:-

Para 2. The total amount shown against Madras in page 5 of the Government Order quoted above on account of salaries and establishment was Rs.12785.Deducting from this a sum of Rs.1177 shown in the Accountant-General's books under"Salaries" and Rs. 207 relating to Mysore,the total establishment charges in Madras amounted to Rs.11509.It is now reported that a sum of Rs.220 being the conveyance allowance of a Temporary Income-tax Inspector has been shown by mistake under"Establishment" instead of being debited to "Allowances".The Correct totals therefore stand as follows:-

	Amount provided in the budget for 1896-97.	Amount actually incurred.
Budget estimate	11010	11089
Revised estimate for 1896-97	11084	
Budget estimate for 1897-98.		

The excess of Rs.59 over the budget estimate for 1896-97 is due to the acting allowances paid in privilege leave arrangements.

2. Para 3 The instructions given in para 3 have been noted.

3. Para 4. With reference to this para the Board beg to submit that no difficulty is likely to be felt in furnishing the Accountant-General with a statement of all discrepancies --- between his figures and those of Collectors as soon as the Board's Administration report is ready.

To Secy:

On page 6 of the Budget statement for 98-99 relating to Income Tax the following foot-note was added:-

"A monthly statement of charges is received only from the Accountant General. Collectors furnish information regarding charges only in their Administration Reports and all discrepancies noticed between the Collectors and the Accountant Generals figures are noted in the foot-note to Appendix E to the Board's Administration Reports"

The financial department suggested that a statement should be forwarded by the Board of Revenue to the Accountant General showing the discrepancies between his figures and those of Collectors as soon as these could be ascertained without waiting for the annual Administration Report, its object being apparently to have the discrepancies reconciled before the

the Accountant General closed his accounts for the year. Para 4 of G.O. No 929 dy 11.11.97 was accordingly added, in which the Board of Revenue was requested to state whether a statement could be sent to the Accountant General without difficulty; but the words "without waiting for the annual administration Report were left out".

2. The Board replies in the affirmative and states that the statement would be forwarded as soon as the Administration Report is ready. As the report is due in the Govt Office on the 1st August it is thought that this would suffice.
