READ the following letter from the
Collector of Vellore, Ref. No
26 Camp dated 12th April 1898:
ver

I have the honour to
report that I closed the Pedari-
katta work on Tuesday, the 5th
instant and started in its
place a similar work on
the Podili-bum bum road on
the same Conditions as before
This work is shown as No. 1.
of Podili Division, in the list
of works submitted with
this office Ref. No. 2680
ver dated
22nd December 1897, and
will provide sufficient work
for the Podili Division for
at least two months. The

estimate for the work amounting to Rs 36,000 has been duly sanctioned by the District Board. The Board's Sanction is requested for the opening of the work. I have thought it better to open this work than to start the new road from Indivaripalli to Jarlupadu sanctioned in Board's Proceedings No: 1033 Mis. dated 11th February 1898. I have recently gone along the route this road would take and consider it would be a waste of money to construct it.

Resolution.

The collector's action in having opened a new work on the Podili-bumbam road in lieu of the work at Pedarikatta is approved. The reason for closing the latter work should have been stated.

2. The road from Indivaripalli to Jarlupadi mentioned

mentioned in the collector's letter is not one of the two works sanctioned in the Government order Communicated with Board's Proceedings No: 1033 Mis. dated 11th February 1898.
