CHIEF SECRETARY'S
-5 APR. 1898
GOVERNMENT OF MADRAS

April 1st 1898

Post Office,
Cawnpore,
N.W.P.

The Chief Secretary
to the Govt. of Madras,
Madras.

Sir,

I have the honor to apply for the post of Agricultural Adviser to the Madras Govt., or for any other suitable work in that line, as, eg., Curator of Park, or &c.

I have done a considerable deal of such work in S. Africa (Natal — where Sir A. Havelock's name is yet remembered) & Western Australia, & am the author & Prize winner

several Agricultural works & merely "Agricultural Assistant" in the Dept.?

Two years ago, when I was manifestly able to be of some use in Madras, Sir E. Buck help. me magnificence, e.g., (to whom I had applied for similar work) directed me to apply to the Local Govt.

The renewed attention by Local Govts. to Agriculture, evidenced only lately by the appointment of an Agricultural Expert (only, however, a Chemical Analyst) by the N. W. P. Govt., leads me to hope Sir A. Havelock may make a similar appointment for Madras.

my knowledge of Cane cultivation (on which I won a Prize in Queensland) which I have examined in Australia, the Fijis, & Natal & in which I have appeared as a witness in matters of disease. Permit me to furnish a "reference" to the Honble D. R. Lyall, C. S. I., Superintendent Cooch Behar State, Bengal, & to my latest work on "Insect & other Agricultural Pests" incorporated in the Natal
