In column 8 of the application received with the Collector's letter read above, it is stated that three plots of 1 acre each in Poddakur Village have been granted to K. Venkiah under Board's Proceedings 386 Mis 24-1-96, 1605 Mis 10-4-96 and 4926 Mis 3-11-96 respectively, while according to the sketch, 5 plots measuring in all 9·10 acres would appear to have been already granted

on mining leases. Moreover the first Board's Proceedings referred to above Sanctions the grant of a mining lease to K. Venkiah over 7.35 acres in Timmalathalapur village and not over 1 acre in Podalakur village as stated above. The Collector is requested to explain these discrepancies.

Note

The Collector of Nellore recommends the grant of a mica-mining lease to one Anchur Subba Naidu, of Indukurpet (Nellore taluk) over an extent of 157.50 acres in the Podalakur Reserved forest, Rapur taluk, for a period of thirty years, the maximum period allowed by the rules (rule 13 of the rules printed as an appendix to B.P. No. 130 dated 21-4-97). It would appear that one K. Venkiah was granted by the Board under the old rules lease for the six plots marked A to F in the sketch-map submitted by the Collector as regards the five plots (A to E) lying within the

the limits of the block the lease of which it is now proposed to grant to A. Subbadaidu, the leases for four of them have already expired, while the lease for the remaining one will run out in November next. It is reported that Venkiah, who by his own admission is the "private gumastah" of Subbadaidu, is willing to surrender his unexpired lease in favour of Subbadaidu, and that he consents to the grant of the proposed lease. The Collector sees no objection, and, as has already been stated, recommends the grant of the block applied for by Subbadaidu on a lease for 30 years. The Board supports the Collector's recommendation. It is submitted that the grant is in accordance with the rules. A draft order is submitted in the sheet below.
