For orders.

Please see note under G.O. No 539 dt 11.3.98. As directed in that order, a copy of the Proceedings of the Conservator Mr. Hooper, dated 17th March 1896, ordering the removal from service of the petr D. Doraisamy Pillai, who was a second grade forester in charge of the Sathyamangalam Range office, has been now produced.

2. It would appear from Mr Hooper's order, that the petr withheld from the Dist Forest officer, the reports of his subordinates regarding theft of Sandal wood in his Range, and that he

he neglected his duty to such an extent as to lead one to suspect that he had Connived at the frauds.

The Board's view was that "On the most favourable "assumption possible" the "Appellant was guilty "of gross neglect and "dilatoriness and that it was "impossible to "Condone such Conduct "without opening a wide "door to fraud."

Mr 14/4/28. Secy

The Hon Member has urged that if the Conservator order is satisfactory, the long delay in appealing wd. justify summary dismissal of the appeal. It is submitted that the Conservator order discloses ample grounds for petitioners removal (not dismissal) from the service. A draft order is submitted on the docket sheet. Mus.
