The Secretary to Government

Sir,

We have the honor to acknowledge the receipt of G.O. No:6318 Mis. dated 7th instant disposing of our appeal against the ruling of the Board of Revenue in the matter of extra allowance for wastage on Spirits in Bond.

As reference is made to a previous G.O. No:5304 dated the 11th October last and to Board Proceedings No:4935 Mis. dated 10th November last, we have the honor to enquire, whether our appeal has been disposed of on evidence other than that contained in the original papers forwarded to you. If so, we have the honor to enquire whether Government does not think it right, that we should be made acquainted with the contents of any additional reports from the Board of Revenue seeing that the Board had already fully stated its case in Proceedings No:5163 G dated the 22nd July last, forwarded to you.

In our appeal to Government we had naturally to confine ourselves to the correspondence, which passed between ourselves and the Board and the reasons given by the latter for their refusal to grant the special allowance applied for. If the Board's refusal is based on the grounds disclosed in their order and the G.O. confirming the Board's order on entirely different grounds, we are placed in a most anomalous position, which we feel sure Government would not wish to place us in. For these reasons we have the honor to request, that any additional papers supplied by the Board and which have been considered by Government should be communicated to us,

We have the honor to be,

Sir,

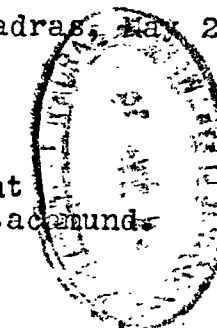

Your most obedient Servants.
