The Collector,

Godavari District.

Sir,

In submitting herewith the Pentapadu Dy. Tahsildar's report C.284 / 9-1 -98 on the survey unassessed lands in Chebrole and Ungutur, I beg to state that the extent still to be surveyed in Ungutur is nearly double the extent already surveyed while that remaining in Chebrole is comparatively less. Out of the amount of Rs.200 placed at my disposal in your Ref. on C.4335/ver of 1897 dated 2-11-97, only Rs.40-9-10 are still left unspent and the Dy. Tahsildar says that the amount is required for the coolies working during this month. The short work of Ungutur is ascribed to the thickness of the jungle and the Dy. Tahsildar requests a further allotment of Rs.200. The same was already brought to your notice in this office Ref. on C.738/Rev of 97 dated 25-11-97. In your Ref on C.4335/ver of 97 dated 5-12-97 to the Dy. Collector, Ellore, it is stated that no more amount can be spent on this survey. The Dy. Tahsildar says that the work cannot be executed if additional allotment is not sanctioned. The matter has been already brought to the notice of the Divisional Officer. If the further allotment is not sanctioned, the remaining work will have to be stopped. I solicit early orders on the subject.

I beg to remain

Sir,

With reference to your Enclt Ref No. 433 5/
ver of 97, dated 8th February 1898, I have the honour
to inform you that my Estimate of Rs. 200 for clear-
ing lines, was a rough Estimate only, as the amount to
be expended must necessarily depend on the thickness of
the jungle to be cleared and for which I had no
precise information.

2. I request that ~~by~~ oversight this qualifica-
tion was not entered in my Estimate submitted to you.

Proceedings of the Board of Revenue (Revenue Settlement, Land Records and Agriculture),

Dated 27th April

1898.

No. 2837 Mis.

Read the following letter from the Collector of Godavari,
Ref No. 4555/ver of 1897 dated 2nd April 1898:-

Adverting to the correspondence ending with the
Board's Proceedings No. 6875 Mis., dated 25th August 1897 *ver*
regarding the survey of waste land in Ungutur and Chebrole,
Tanuku Taluk, I have the honor to state that the cost of
the survey and demarcation of these lands, as estimated
by the Assitant Superintendent of Survey has been
found to be quite inadequate, since one of the items of
expenditure, viz, clearing of lines for which Mr. Hasted
provided only Rs. 200 is now estimated to cost a further
sum of Rs. 200 as the jungle is very thick and not
easily penetrable. I therefore request that sanction of
Government may be obtained at an early date for incurring
the additional expenditure of Rs. 200. The copies of the
Tanuku Tahsildar's report No. 738 Rev. of 1897 dated 16th
January 1898 bearing this office Endt. Ref. No. 4842-ver of 97
dated 8th February 1898 and of the Assistant Superintend
ent's reply thereto No. 126 / 89 dated 17th February
1898 are enclosed for the Board's information.

Resolution.

The Collector's letter will be submitted to Government
