FINANCIAL DEPARTMENT.

G.O., No. 184, Financial, dated 24th February 1898.

ABSTRACT.—Communicating to the Revenue Department, for the necessary action, letter from the Government of India requesting that an estimate of the amounts of recoverable expenditure incurred in the relief of famine may be prepared as soon as possible and communicated to the Accountant-General, Madras, before the estimates of 1897-98 are finally closed.

G.O., Mis. No. 207, Financial, dated 1st March 1898.

Read—the following paper:—

From F. C. HARRISON, Esq., Accountant-General to the Government of Madras, to the Chief Secretary to Government, dated Fort St. George, 25th February 1898, No. 751.

I requested the Board of Revenue in my letter, No. 3709, dated the 25th November 1897, to furnish me with the figures for recoverable expenditure on famine relief, and the Board, in its Proceedings, Mis. No. 9683, dated 3rd December 1897, copy enclosed, accordingly called upon the Collectors of the affected districts to furnish the required information. But no figures have as yet been furnished to me. The Government of India, in its letter, Financial, No. 837 A, dated 16th February 1898, have now called for these figures, and I have the honour respectfully to request that I may be furnished with them as soon before the 10th proximo as possible.

2. The Government of India letter, to which my present call is due, refers only to recoveries on account of advances dealt with under Government of India Resolution No. 5300 A, dated 16th December 1896, and not to advances to weavers.

3. I have sent a telephonic reminder to the Board of Revenue to expedite the information on both accounts.

ENCLOSURE.

Read—the following letter from the Accountant-General to the Government of Madras, dated 25th November 1897, No. 3709:—

I have the honour to request that, in the Board's estimate of famine expenditure likely to be incurred in the current and ensuing official years, you will be good enough to specify the deductions to be made from estimated expenditure on account of recoveries relating to advances to weavers, etc., in each of the years.

2. In submitting the budgets to Government, it will be very desirable to show particulars of charges and recoveries in detail of districts and minor heads.

Resolution—Mis. No. 9683, dated 3rd December 1897.

The Collectors of the marginally-noted districts are requested to submit at an early date estimates of receipts during the current year on account of the sale of cloths or recoveries in cash out of the advances made to weavers. On receipt

Bellary.
Anantapur.

of these estimates, the Accountant-General will be furnished with information as to the deductions to be made from the estimated famine expenditure in 1897-98 on account of such recoveries.

2. As regards the estimate of famine expenditure in 1898-99 required by the Accountant-General, he will be informed that, until it is more certain than it is at present that the north-east monsoon has failed, no attempt can be made to forecast the expenditure on account of famine in the ensuing year.
