2. As remarked by the Collector, a much smaller extent than 1 acre and 24 cents should suffice for the construction of two latrines: and unless latrines are actually going to be built thereon it seems to the Board that a formal alienation of the land or any portion of it in favour of the Municipal Council is unnecessary. There is no objection, however, to the

Municipality Continuing to use the land as at present, until it is formally assigned or is resumed for some other public purpose.
