To Secy :-

In its letter no 275 of 26. the P. W. D (Railway Branch) Bombay, states that the Consltg Engineer for Railways has requested the ~~removal~~ dismantlement of the Assistant Engineer's bungalow Penukonda and requests that orders may be issued for the resumption of the land on which the bungalow stands. The Board of Revenue is asked to issue the ~~necessary~~ instructions in the matter. It states that the bungalow has not yet been dismantled that the railway authorities consulate selling the building by auction and that it is admirably suited for the Inspector's quarters at Penukonda where no accommodation is available in the town. The B? accordingly requests that the Govt of Bombay may be moved to transfer the building to the Salt & Abkari Dept.
