Proceedings of the Board of Revenue

(Separate Revenue),

Dated 3rd May 1898.

Mis No. 1742

Read letter from the Deputy Commissioner Southern Division N^o. 1695 dated 22nd April 1898 submitting report, that, of the six licensees of the Negapatam Factory, two have given a written consent for the departmental execution of their works and that the consent of the remaining four has not been obtained for certain seasons.

Resolution

In Board's Proceedings Mis N^o. 3814 dated 1st September 1897 - Sanction of Government was solicited to the departmental execution of the licensees' works in the Negapatam factory in the year 1897-98. and in subsequent years. Government, however, in

in its order Mis. No. 4917 dated 17th September 1897, accorded sanction only in respect of the works required for the last official year, presumably because the consent of six of the licensees of the factory had not then been obtained to the proposal. The Deputy Commissioner Southern Division who was requested to obtain their written consent now submits that of two of them and states that two others are dead and that no one has come forward to claim their pans. In regard to the remaining two it is reported that they did not manufacture salt in their pans during the two seasons of 1896 and 1897 and that they have consequently been served with notices under section 27 of the Salt Act calling on them to show cause why their licenses should not be cancelled. In these circumstances the Board requests that Government will be pleased to accord sanction, under section 32 of Act IV of 1889 to the execution by the department of the works to be done by the Excise licensees of the Negapatam factory in the current and future years.
