To

HIS EXCELLENCY

THE GOVERNOR IN COUNCIL,

Fort Saint George.

The humble Memorial of V. RAMASWAMI AIYAR,
late Probationary Deputy Collector.

RESPECTFULLY SHOWETH,

1. That Government on the results of the Competitive Examination for the Provincial Civil Service was pleased to appoint your Excellency's Memorialist as a Probationary Deputy Collector in December 1895.

2. That your Excellency's Memorialist was required by the rules to pass the following Examinations within two years of his appointment, besides undergoing training in Treasury work and Survey:—

- (1) The Compulsory Vernacular Test for Deputy Collectors.
- (2) The Riding Test.
- (3) The following Special Tests :
 - (a) Precis-writing.
 - (b) The Account Test Higher Grade.
 - (c) The Criminal Judicial Test „
 - (d) The Revenue Test „

3. That your Excellency's Memorialist has undergone training in Treasury-work and in Survey and has passed the tests (1), (2) and 3 (a), within the time allowed; but has failed in the tests 3 (b), (c) and (d)

4. That for this failure Government has been pleased to terminate your Memorialist's connection with the public service.

5. That your Memorialist begs respectfully to submit that it was not for want of diligence that he failed in the tests 3 (b), (c) and (d) referred to above.

6. That though he had two opportunities once in October 1896 and again in October 1897 to pass these tests his failure in these tests was due to specially heavy work that he had to do just before the Examinations on both occasions.

7. That about the middle of September 1896 your Excellency's Memorialist was put in charge of the Deputy Tahsildar's office, Kilapalur; that he had, in addition to the ordinary Revenue and Magisterial work of the office, to spend a large portion of the time in inspecting and reporting on the floods which occurred then; and that his health which had suffered on account of exposure prevented his doing well in the examination which commenced on the 18th October 1896, a day or two after he was relieved of the charge of the Deputy Tahsildar's office. At the examination he passed in test 3 (a) but failed in tests 3 (b) and (c).

That does not affect the 1897 exam
H

8. That your Excellency's Memorialist had charge of the Trichinopoly Division from March to September 1897.

9. That the Division is considered a heavy one; in any case, your Memorialist who had then only been 15 months in service found the work of the Division very heavy for him. He found his magisterial work very heavy, especially so, as he had not the facilities afforded by summary powers of trial or the power to take evidence in English. Your Excellency's Memorialist in this period was thus discharging the work of a heavy Division under difficulties which do not exist in the case of experienced officers usually placed in charge of divisions. Your Excellency's Memorialist, in addition to this heavy work, had to acquire a new language, (Telugu), for passing the Vernacular Test; and he passed that test and the Riding Test in July 1897. He also conducted the Jamabandy of the Trichinopoly Taluq subsequently.

10. That your Memorialist was therefore not able to devote more than about 5 weeks (for which he took privilege leave) to the various subjects prescribed for the tests 3 (b), (c) and (d), his time having been occupied before in acquiring a new language for test (1), and in coping with the heavy Revenue and Magisterial work of the Division in his charge.

11. That your Memorialist found the time available to him insufficient for studying the subjects and failed in these tests in October 1897.

12. That your Memorialist submits that he does not urge the circumstances stated above as justifying his failure to pass the tests in the time allowed; but frankly admits that Government was perfectly justified in removing him from the service; at the same time, he begs respectfully to submit, that, had it not been for the very heavy work which he had to do just before the examination on both the occasions, he would have had a better chance of passing the remaining tests.

13. That your humble Memorialist has already spent several years of the best part of his life in qualifying himself for the Provincial Service and it will be very hard for him now to qualify himself for any other walk of life.

14. That your Memorialist therefore respectfully prays that, as an act of pure grace, your Excellency will be graciously pleased to allow him another chance, by suspending the order removing him from Service, and by granting him leave without allowances for a year during which your Excellency's Memorialist will diligently endeavor to fully qualify himself for the post to which your Excellency was pleased to appoint him.

For which act of grace your Excellency's Memorialist as in duty bound shall ever be grateful.

SIR,

With reference to the endorsement
of Government dated 7th April 1898,
No. 1625 referring the memorial of
M. R. Ry. V. Ramaswami Aiyar late Pro-
-bationary Deputy Collector for report
as to whether the work entrusted to
him was such as to seriously inter-
-fere with his study for the examina-
-tions which he failed to pass, I have
the honour to state that, besides the
work incidental to the probationary
period of the memorialist, such as
training in the Treasury work, Survey
and Kurnam's duties, conduct of Jama-
-bundi and trial of criminal cases, he
was also placed in charge of the
following two offices for the periods
set

set against them (previous to the Octobe 9th 1896)

(a) The Deputy Tahsildar and Submagistrate's Office, Tirupaluvu from 17th September 1896 to the 14th October 1896 for 28 days. *This was in 1896*

(b) Head Quarters Dy. Collector and Magistrate's Office

(1) 17th January 1897 to 3rd February 97 17 days

(2) 11th February 1897 to 18th March '97 35 days

(3) 25th March 1897 to 31st March '97 6 days

Revenue Charge alone

(4) 1st April 1897 to 6th September 1897. 5 months & 5 days

2. He tried and disposed of 28 Probationary Deputy Magistrate, 16, 3rd class and 66, 2nd class cases in all.

3. While in charge of the Head Quarters Division, he conducted the Jamabundi of the Trichinopoly Taluk for Fashi 1306, which occupied him from 14th June 1896 to 29th August 1897. The business statements of that office show that 1457, 1468, and 1544 papers were disposed of respectively in the first three quarters of 1897 or 4469 papers in all. These included also those disposed of by

12
Messrs C. Raju Sastriar (1st to 16th January 1897), C. Somasundara Sastriar (from 4th to 11th February 1897), G. Narayana Swami Aiyar (from 17th to 25th March 1897) and P. Duraiswami Aiyangar (from 7th to 30th September 1897).

4. In addition to the Divisional charge, he was also placed in charge of the District Forest Offices of Trichinopoly and Tanjore for about a month from 21st May to 20th June 1897 during Mr. Latham's absence on privilege leave. He acted also as the Secretary to the Local Committee of the Indian Famine Charitable Relief Fund which commenced its working on the 20th February 1897.

5. The subjoined table gives the particulars of criminal work done by him while in charge of the Subdivision.

Nature of the case	Total number of cases reported	Number disposed of while in charge of the S. & S. Division				Number disposed of by the S. & S. Division				Number of cases examined	Number of cases examined	Remarks.
		3rd class cases				2nd class cases

1	Calendar cases	55	27	12	16	16	7	13	5	88	29	A Of these 36 cases, 11 were Louisiana Cases under Section 3 of the Fourteenth Amendment, 5 dismissed under Section 203 C.P.C., 4 cases compounded; 1 case of enhanced punishment, 2 cases under Section 174 P.C., and one case under the Acts, &c. B Most of these witnesses were examined in the remaining 12 Cases C Of these 5, 1 transferred, 2 committed, 2 discharged. d Of these 23, 21 were maintenance cases e Of these, 5 appeals were summarily rejected.
2	Preliminary Register Cases	5	-	-	-	-	3	-	24	-11-		
3	Miscellaneous cases	27	-	-	-	-	23	-	52	21		
4	Appeals	67	-	-	-	-	36	-				

14

5. It will be seen therefrom that he disposed of 36 Calendar, 3 Preliminary Register and 23 Miscellaneous Cases and 36 appeals up to 6th September 1897, when he went on 6 weeks' privilege leave for studying for the Special Tests examinations.

Of these again, 24 Calendar Cases were of a petty nature as will be seen from the remarks column of the statement. Of the 23 Miscellaneous Cases, 21 were maintenance claims most of which were dismissed either because the parties became reconciled or because the claims were found to be unsustainable at the outset. 5 of the 36 appeals decided were summarily rejected under Section 421 Criminal Procedure Code.

6. My opinion, which I advance with diffidence and a grave sense of responsibility, is that the work entrusted to

15
to the Petitioner was not such as to interfere with his studies to such a serious extent as to cause him to fail in the examination. I notice first of all that it was not until the middle of September 1896, that he was placed in charge of an office, and then only for a month. He had, previous to this, nine months in which to prepare himself for his examination. It is true that this charge was given him almost immediately before the examination. I note further that it was not until his second year that he was given a heavy charge, and other continuous and fairly heavy work: but a great deal of this work was such as to afford him material help towards passing his examination, as it gave him an insight into the practice of the laws and regulations and orders. It further occurs to me that many an Acting Head Assistant has to pass a stiffer examination, while in charge of a heavier office.

16
V. Ramasami Aiyar does not lack ability, and from the circumstance that he only passed in the three easiest subjects, I draw the inference that he did not take much trouble, trusting in being granted an extension.

7. I am not aware whether Government has ever granted any such extension to a Probationary Deputy Collector. But even if no such extension has been granted, I would suggest, for the consideration of Government, that the Petitioner be appointed a Deputy Tahsildar, and the promise made to him that, if he passes his tests within a given period, he will be promoted first to Tahsildar and then to Deputy Collector. As I reported some months ago, I do not think he is one of those men who will make good officers without "going through the mill."

He tells me he is a ruined man,

with

with no means of livelihood, and
I have little doubt but that he
will gladly accept this offer if the
Government, in its clemency, makes
it to him. but I have not sounded
him on the subject.

I have the honour to be,
Sir,
your most obedient servant.

Sir

In connection with my memorial already submitted to Government I beg respectfully to submit the following additional facts for its favorable consideration

2. Before I was appointed to the Provincial Civil Service I was Lecturer in Mathematics in the Maharaja's College, Mysore. After I joined my appointment as Probationary Deputy Collector, the Mysore Government offered to take me back into its Educational Service on a salary of Rs. 250 a month rising to Rs. 450 in five years. I gave up this chance preferring to continue in British Service

This could be verified if necessary by a reference to the Dewan of Mysore.

3. My University Career was, I beg to submit without pride, one of distinction. I have taken the M. A. degree; and I am a member of the Edinburgh Mathematical Society and of the London Mathematical Association.

4. I have uniformly won the good opinion of my Superiors both at College and during my service under the Mysore Government. The Hon'ble Mr. G. H. Stuart knows me well. After I was appointed a Prob. Dy. Collector I served under four Collectors, viz, Mr. Andrews, Mr. Batten, Mr. Macleod and Mr. Shipley. I beg respectfully that the half-yearly reports of all these officers about me may be referred to, as to the way in which I was doing my work. The first three Collectors, I have reason to think, have left very favorable opinion of me and my work. I cannot say what Mr. Shipley may have expressed of me, having served under him but less than two months at the time of the last half-yearly report. But I have my misgivings about the discouraging way in which

he spoke to me when I saw him recently in connection with my memorial. I feel confident however, that if I had the opportunity of serving under him longer I should have won his good opinion as well. In fairness to me, I beg respectfully that the opinion of all the ^{other} Collectors I served under may be placed before Government along with that of Mr. Shipley. I speak thus with the highest respect to Mr. Shipley, under whom, if I had continued, I should have immensely benefited.

5. Mr. Macleod knows how assiduously I was working in the discharge of the duties of the heavy division which he placed in my charge. In addition to my duties as District Officer I had also charge of the District Finest office Trichinopoly, for a month, during May and June 1897. I conducted the Tamaband of the Trichinopoly Taluk during July and August 1897. I was also Secretary of the Ladrain Famine Charitable Relief Fund and exerted myself in this Charitable Cause. I worked unsparingly in the discharge of these various

and had no time to study for the
Special Test Examination of October 1897.

Mr. Macleod knows these facts personally.
Owing to these heavy duties I was placed under
specially disadvantageous circumstances as far
as passing examinations is concerned.

6. For the Special Tests that I had
to pass in Oct. 1897. There were ~~ten~~ 10 Subjects;
namely (1) Account Code (2) Civil Service
Regulations (3) Revenue Regulations & Acts (4)
Board Standing Orders (5) Stamp Laws and rules
(6) Village and Taluk accounts (7) The Penal Code
(8) The Criminal Procedure Code (9) The Evidence Act
(10) Medical jurisprudence. In these 10 subjects
separate minutes are required. I had only

5 weeks of privilege leave to study these 10
subjects. Although I knew these subjects
practically well from my experience of
executive work, I found the short time
at my disposal insufficient to read up
these 10 subjects with such attention to
details as is required to pass the examinations.

I beg therefore to represent respectfully that
it was solely due to my heavy work that
I was unable to pass the examinations.

7. I beg humbly that Government
will be pleased to take all the foregoing
circumstances into its favorable
consideration and graciously give me one
more chance to pass these examinations
by extending the period of my probation
for one year as, I understand,
Government has been pleased to do in
the case of M.R. P. Saramayya who
was appointed along with me to the
Provincial Civil Service.

NOTE FOR THE

Secy

Ref's failure to pass the test within two years is not excused by the work he had to do during that long period, & he has therefore no claim on Govt in virtue of his passing the Provincial Civil Service exam. I think, however, it will be conducive to the public interest of the public, to keep him in the service of Govt. I have seen the man & like him. Both in intelligence & physique he is by and the average, & he is one of the few Mathematical Men of our University. He asks for one year leave without allowance, in order that he may pass the test within that time. I think, however, it is necessary, in order to call attention to our rule II, that he should be removed from the grade of Dep. Comm. from what Mr. Chetty says, too, I think it will be better for him to spend the time as a Dep. Tahs. As an act of grace I think that if he has no objection he may be allowed to serve as a Dep. Tahs. till the 1st Dec. 1899, & provided a Deputy Commissioner if he

Most of the previous papers were in the file relating to Sitarumayya returned from Circ^y on the 2nd and with another file re: European Dy. Collector returned from Circ^y yesterday. Hence the delay in submitting the current.

The Memorialist says he was in charge of the Trichinopoly Division from March to Sept 1899. But

W. Shipley's letters show that during that period he was in charge of only the Revenue work of the Divⁿ and the magl.

He was in charge of the J^r Forest Office only for a month, 21 May to 20 June 1897; this was long before the exam^s.

The magl. cases tried during or assigned into during the period he was in magl. charge of the Division i.e. for the broken periods amounting to about 2 months bet. 17 Jan^y & 31 March 1897 - also long before the exam^s - was a

comparatively light average

The variety of work to which he was assigned during the time was for a person was

far more by that time. Mr Shipley knew he was also to through the grade of Tahsil dar, but I don't think anything would be gained by this. If my Hon^{ble} Colleagues agree about retaining the name as a dep. Tahsil, I suppose the Hon^{ble} would be told to instruct the Col^l of Tahsil d^r to appoint him who just vacated, unless they can find good reasons to the contrary.

contrary was precisely the variety of work, to which every Prob^{le} D.T. & every Asst^{nt} J^r is required to be placed in charge of, in order to qualify in practical admⁿ. & to make the best books of the departmental exam^s intelligible.

The plea of specially heavy work just before the exam^s does not appear to be at all made out. Moreover his ^{period of} study extended over two years.

At the end of it he failed to pass in any single one of the purely depart^{mental} subjects - Revenue Criminal & Accounts.

The paragon in "precis" ~~regard~~ is a foregone conclusion with a man who had just passed the University as ^{1st} ~~1st~~.
