Reference No 468 dated 23rd April 1898.

Government having recently ordered that the "unanswered list" of references made to it by the Board should be furnished as a half yearly instead of as a quarterly return, the Board begs leave to enquire - whether this order applies equally to the "list of periodical reports and returns due to Government," which under G.O. No 1249, Rev. dated 10th November 1885, has to be sub-
mitted along with the list of unanswered references.
