No. 1309

From

F. C. Harrison Esqre

ACCOUNTANT-GENERAL TO THE

GOVERNMENT OF MADRAS,

To

THE Secretary to Government,
Revenue Department.

SIR,

With reference to para 2 of Govt. order No. 1342 Miscellaneous, Revenue, dated the 17th March, 1898, I have the honour to state that section 23 of the Madras Famine Code fixes the responsibility for controlling Famine relief expenditure on the member of the Board of Revenue in charge of the department of Land Records and Agriculture, subject to the orders of Government. I therefore see no objection to his transferring the ascertained savings in the Budget grant under one minor head to meet excess expenditure under another, reporting such transfers for the approval of Govt. and for my information.

2. It presumes that transfers will relate to the Budget grants for works in charge of Public Works officers. If however, it is intended to reduce or increase such grants by reappropriations, I would suggest that it may be done in consultation with the Examiner of Public Works accounts, so that I may on his application alter the assignment in favour of Executive Engineers.

3. If approved, the necessary additions
may be made by Government to the rules for the
regulations of famine finance recently submitted by
me. $\text{Rs } \frac{1586}{5-4-98}$

I have the honour to be,
Sir,

Your most obedt. servant,

W. Harris
Accountant General.

G.O. No. 2121 d/17th May 98.

In the case of
transfers relating to grants
for works in charge of
Public Works officers, the
officer to be consulted is
the Chief Engineer, P.W.D.
~~and~~ not the Examiner of
P.W. accounts. Subject
to this modification, the
proposals made by the
Accountant General are
approved. The necessary
additions will be made
in the rules for the
regulation of famine fi-
nance when ^{they are} finally
issued.

Note

Under para 135 (e)
of Chap IV of the P. W. Code
Vol II, only ~~Local~~ Govt is
competent to sanction re-
appropriations within
budget grants, and this power
~~does not appear to have~~
~~been~~ been delegated to
others. Under the same para
increases to P. W. grants
require the sanction of
Govt in the Financial
Dept. The P. W. D. remark
that the Chief Engineer
should be consulted apparently
implies that he will take
the necessary action to
obtain the sanction of Govt
and communicate it to
the Examiner, P. W. D. for
application being made
to the A. G.
