Copy of letter from the Collector of South Arcot to the Revenue Engineer South Arcot Division, N. 960-1 of 97 dated 10th February 1898.

Adverting to your letter N. 79 M. dated 23rd January 1898 regarding the old District Munsif's Court at Villupuram, I have the honour to state that I should be very much obliged if you would personally inspect the building when you go to Villupuram. I cannot myself understand why it was condemned as dangerous in 1893. To my unprofessional eye, the roof appears to be safe enough and the cracks in the walls do not appear very serious. The building was occupied in December last by the Sub Divisional office. It requires white washing and painting but a very small outlay on this would, I should say, make it fit enough to be occupied by the Stationary Sub Magistrate whose present office is in a very bad state of repair. I have no doubt about being able to obtain the consent of Government to the cancellation of the order to sell the building and to the transfer of the Sub Magistrate there in the event of your being able to pass the

the building as safe. The estimate for the
 buttress prepared by one of my subordinates
 and forwarded to you with my letter No. 960-1 Sup
 22.12.97
 seems to me on personal inspection unnecessary
 and I should be glad of your opinion on this
 point.

No 2012 South Arcot Divisional Office
 Buddalore dated 21 March 1898.
 From J. E. Paul Esq.
 Executive Engineer
 South Arcot Division
 To The Superintending Engineer
 V. Cind

Sir,
 I have the honour to forward a copy of the
 Collector of South Arcot's No. 960-1 of 97 dated
 18 February 1898.

2. I have inspected the District Munsif's Court
 house of Villupuram as requested by him.

3. I consider that all the rooms except the
 one marked A in the plan herewith, are perfectly
 safe for use as an office; the room A has several
 serious cracks in the walls but they show no
 sign of any late movement and I consider that
 the building, which was in a dangerous state
 when Mr Davidson examined it in 1893 has
 now settled, and I would therefore suggest that
 the building may be used for the Stationary Sub-
 Magistrate. The cracks in the room A should
 of course be carefully kept under observation
 and if they show fresh signs of further settle-
 ment this room might be pulled down the rest
 being quite sufficient for a Stationary Sub-
 Magistrate's office. The sale of the building
 was sanctioned in G.O. No. 2551 W. dated 15th Septem-
 ber 1897.

Note. In L.O. 4524 D 30 August 97 the
Sale of the Old District Munsiff's Court
house at South Arcot D. was sanctioned,
as it was then condemned as
dangerous. But the Executive
Engineer who inspected the building
in person on the request of the Collector,
expressly recommended the use of it
by the Stationary Submagistrate
as the building which was in a
dangerous condition when
Mr. Dandeson examined it in 1893
had now settled and no further
movement of the cracks in the rooms
had appeared.
