Proceedings of the Court of Wards,

Dated 21st April — 1898.

No. 415 ^{Routine} Miscellaneous.

Read ^{Endorsement} ~~Govt. Reference Order~~, Rev. Sept. No. 5769 Mis
- d/ 10th November 1897 and reference thereon
to the Collector of Kistna dated 18th Novr. 1897.

Read also Govt. Order, Rev. Sept. Rout No. 455 dated
23rd February 1898 and reference thereon
No. 20 dated 1st March 1898.

Read Letter from the Collr. of Kistna No. 173
of '98 dated 28th March 1898.

Resolution.

The papers read above deal
with a claim made by His Highness the
Nizam's Government for compensation for
loss of revenue sustained by that Govern-
ment by reason of the submersion of
certain lands which have been flooded
owing to the repair of a tank situated within
the limits of the Memapala Estate which is
now

now under the charge of the Court of wards. The amount claimed on account of Fasli 1294 to Fasli 1304 is Rs 627-8-0, while a separate communication is promised in regard to the loss sustained in subsequent Faslis.

2. From the Estate Manager's report submitted by the Collector, the Court understands that the claim is valid as it has been previously decided* in connection with the settlement of certain boundary disputes between His Highness the Nizam and the British Government that the damages arising from repairs to tanks extending beyond the boundary line should be made good by the villages deriving benefit from such repairs. The late Nani appears to have repaired a tank in her own estate, and thereby caused the submission complained of. Under the agreement referred to, the Mumapala Estate is thus responsible for the payment of the revenue lost to His Highness the Nizam's Government.

3. The Estate Manager reports that there are no means of checking the amount claimed; but if there is no reason to question the correctness of the demand the Collector of Distra may at once make the requisite

requisite payment from Mumapala fund, direct to His Highness the Nizam's Government.

4. The Collector is requested to ascertain direct from the Nizam's officials the amount due on account of Faslis 1305 to 1307 and to adjust the claim as soon as possible reporting the amount involved for the formal sanction of the Court of wards.

5. The further report promised by the Collector on the measures necessary to prevent future loss of revenue to His Highness the Nizam's Government should be submitted as soon as possible.
