COURT OF WARDS OFFICE MADRAS

Proceedings of the Court of Wards,

Dated 21st April — 1898.

No. 415 ~~Routine.~~ Miscellaneous.

Read ~~Govt. Reference upon~~ endorsement, Revr. Deptl. Ct. 5769 Dis
-d 10th November 1897 and reference thereon
to the Collector of Kistna dated 18th Novr. 1897.

Read also Govt. order Rev. Deptl. Roc. No. 465 dated
23d February 1898 and reference thereon
No. 20 dated 1st March 1898.

Read letter from the Collr. of Kistna No. Dis 173/Est.
of 98 dated 28th March 1898.

Resolution.

The papers read above deal with a claim made by His Highness the Nizam's Government for compensation for loss of revenue sustained by that Govern-ment by reason of the submersion of certain lands which have been flooded owing to the repair of a tank situated within the limits of the Kuruapalli Estate which is now

now under the charge of the Court of wards. The amount claimed on account of Fasli 1294 to Fasli 1304 is Rs 627-8-0, while a separate communication is promised in regard to the loss sustained in subsequent faslis.

2. From the Estate Manager's report submitted by the Collector, the Court understands that the claim is valid as it has been previously decided[x] in connection with the settlement of certain boundary disputes between His Highness the Nizam and the British Government that the damages arising from repairs to tanks extending beyond the boundary line should be made good by the villages deriving benefit from such repairs. The late Rani appears to have repaired a tank in her own Estate, and thereby, caused the submersion complained of. Under the agreement referred to, the Kemaja la Estate is thus responsible for the payment of the revenue lost to His Highness the Nizam's Government.

[x] Vide G.O. No. 1059 Rev. dated 10th Nov. 1887

3. The Estate Manager reports that there are no means of checking the amount claimed: but if there is no reason to question the correctness of the demand the Collector of Kistna may at once make the requisite payment from Kemaja la funds, direct to His Highness the Nizam's Government.

4. The Collector is requested to ascertain direct from the Nizam's officials the amount due on account of Faslis 1305 to 1307 and to adjust the claim as soon as possible reporting the amount involved for the formal sanction of the Court of Wards.

5. The further report promised by the Collector on the measures necessary to prevent future loss of revenue to His Highness the Nizam's Government should be submitted as soon as possible.
