Copy of letter from Sir Arthur Wilson, Solicitor to the --
Secretary of State for India, London, dated 27th April 1898.

v.

Sri Inuganti Bhavayyampi, a ward under the Court of Wards.

Chidikada appeal.

On the 25th Instant I received an intimation from the appellants solicitors that the respondent was dead, and a telegram was despatched to your Government the same evening.

On the following morning, the 26th, the appeal - was in the paper for hearing before the Lords of the Privy Council and on the case being called on the appellants' Council informed - the Court of the death of the respondent but expressed his readiness to proceed with the argument of the case with their Lordships' permission. This was refused and the case was ordered to stand over generally - the result of the telegram to your Government to be reported to the Court as early as possible. The Privy Council were, this morning, informed of your telegram, and the appeal stands abated.

It will consequently be necessary that the appeal should be revived, and I shall be glad if you will inform me as soon as steps are taken by the appellants in that direction, although it is possible that the Court of Wards may have nothing -- further to do with the estate.

I am &c.

Solicitor to the Secy. of State for India.
