FROM

B. RIBBENTROP, Esq., C.I.E.,
Inspector-General of Forests to the Govt. of India,

To

The Secretary to the Government of India,
Department of Revenue and Agriculture.

Simla, the 30th April 1897.

SIR,

With reference to rule III of the rules appended to Circular No. 2 P., dated the 18th January 1894, I have the honour to submit, for the consideration and orders No. 108, dated 30th January 1898, of the Government of India, a copy of an application from Mr. T. Du Pre Thornton, Deputy Conservator in the Madras Presidency, for permission to study Forestry on the Continent of Europe, while on furlough, in accordance with those rules. A copy of a letter on the subject from the Government of Madras is also enclosed.

2. I beg to recommend that Mr. Thornton be permitted to undertake, at Government expense, the specific studies enumerated in clauses (c), (e), (f) and (g) of paragraph 2 of his letter. For this purpose a period of three months will, I consider, prove ample. There is no doubt that Mr. Thornton would gain in general professional knowledge by visiting the localities mentioned by him in clauses (a), (b) and (d); but I do not think that the rules of 1894 are meant to provide for such tours at the expense of the State. On the termination of his studies Mr. Thornton should submit a detailed report regarding what he studied, and should indicate

in it how the several operations witnessed might be made applicable to Forest work in India.

I have, &c.,

Sd. B. Ribbentrop,
Inspector General of Forests.

No. 404

Copy forwarded, for information, to the Secretary
to the Government of Madras, Revenue Department.

B. Ribbentrop

Inspector General of Forests.
