Resolution

Resolution

With reference to para 2 of the G.O. read above, the Board begs leave to submit that as Mr Thornton was anxious to hand over charge and proceed on furlough, he was permitted to do so in anticipation of final orders. The Board ventured to accord this permission in view of the fact that Mr Thornton had been granted 9 months' furlough in G.O. No. 6287 Rev. dated 6.12.97 and that the only question remaining to be settled was whether the period of his leave should be extended or curtailed according as Mr Thornton's application to study in the Continent was allowed or not. Moreover, in Notification No. 128 dated 14.3.1898 published in the Fort Saint George Gazette of the 15th idem, Mr H. F. A. Wood was appointed as Mr Thornton's locum tenens and orders were issued to him to relieve Mr Thornton after the Easter holidays.

2. In these circumstances, the Board requests that its action in the matter may be approved and formal sanction accorded to Mr Thornton having availed himself of the furlough from the 23rd instant as reported in the 2nd letter read above. The period for which the leave is to be granted may be settled after the orders of the Government of India on his application are received.
