of the Kutagulla extension was approved in G.O. 271, d/ 15.5.95. During settlement, twenty claims in respect of the block were filed, out of which nineteen were admitted. It is reported that, in consequence of these rights, the area of the block has been greatly reduced and its shape mutilated and rendered irregular. Moreover, the area now proposed for reservation does not contain workable timber. The Collector and the Conservator recommend and the Board agrees with them that the proposal to reserve the area should be abandoned. It is submitted that the recommendation may be accepted.

REVENUE BOARD OFFICE. MADRAS.

Proceedings of the Board of Revenue
(Land Revenue). ✠ 27.4.98. No. 272 mis

Read Endorsement by the Conservator of Forests C.C. ✠ 20.1.98 No. 1223 on letter from the Collector of Cuddapah ✠ 9-1-98 Ref: No. 461/2 of 97-98

Resolution

The Kutagulla Extension block which was notified under sec: 4 in G.O. 271 ✠ 15.5.95, has been much cut down at settlement owing chiefly to the exclusion of (a) large portions of Chippalamadugu Jaghire and Kondanayanipalem Agraharam which were originally included within the Reserve limits, and (b) certain patta lands excluded by revision of boundary with reference to para 2 of B.P. No. 181 ✠ 9.4.95. In consequence of these exclusions, the area of the block has been greatly reduced and its shape mutilated and rendered irregular.

Lt.

It is reported that the area remaining contains
no valuable timber and the Collector therefore considers
that it is not worth while to reserve the block and re-
commends its abandonment. His recommendation
is supported by the Conservator in his forwarding
endorsement. The Board agrees with the Collector
and Conservator and accordingly submits to Govern-
ment for approval and publication in the Fort
Saint-George Gazette a draft notification cancelling
the reservation of the proposed extension.
