Approving the proposals of the Inspector-General of Registration for the opening of two new sub-registry offices at Kykalur and Tiruvur in the Kistna district; directing the publication in the Fort St. George and Kistna District Gazettes of the draft notifications giving effect to the proposals; and transferring the proposition statement to the Financial Department.

GOVERNMENT OF MADRAS.

JUDICIAL DEPARTMENT.

READ—the following paper:—

From the Hon'ble P. RAJARATNA MUDALIYAR, Diwan Bahadur, Inspector-General of Registration, to the Chief Secretary to Government, dated Madras, 17th March 1898, G. No. 1508.

Under Act XVI of 1864, two sub-registry offices were opened on the 1st January 1865 in the Kistna district—one at Kykalur in the Gudiváda taluk and the other at Tiruvur in the Bezwada taluk. But, as the number of documents registered was then comparatively small and the fees realised hardly sufficient to meet even the pay of a clerk, the offices were abolished under G.O., No. 161, Judicial, dated 15th August 1866, and the villages forming those sub-districts were transferred to the sub-

Office.	1865-66.		Average for the last three years ending 1895-96.

districts of Gudiváda and Bezwada. Since then registrations and receipts have greatly increased and petitions have been received from the inhabitants of the Kykalur Circle complaining of the inconvenience they are put to by having to travel long distances to register their documents. A careful enquiry made by the District Registrar shows that the complaints are well founded.

2. There are 52 villages which are from 20 to over 30 miles distant from Gudiváda, 20 more which are from 15 to 20 miles distant, and 4 more which are from 10 to 15 miles distant. Most of these are, however, within 4 to 7 miles of Kykalur and none except three are more than 10 miles. A glance at statement A appended giving the distances of the several villages from Gudiváda and from Kykalur will show that the re-opening of a sub-registry office at the latter station will be of immense advantage to the people. Besides the inconvenience arising on the score of distance, the inhabitants of several of the villages are at present subject to further hardship owing to the difficulty of getting to Gudiváda in carts during the rainy season. The Collector of the district who was consulted fully agrees with me, and states that opening of an office at Kykalur "will be useful to the inhabitants of a fertile and waterlogged country."

3. Kykalur is an important village in the Gudiváda taluk. There is a Police station, Deputy Tahsildar's office and an hospital. In course of time, when the new irrigation scheme is completed, waste lands to the extent of 25,000 acres are likely to be brought under wet cultivation, and there is every reason to hope that registration will treble itself. I have accordingly the honour to request that the Government will

be pleased to sanction the opening of a sub-registry office at this station from 1st May 1898, with 76 villages detached from the Gudiváda taluk and containing about 32,000 inhabitants. Sanction is also requested for the following establishment:—

	Rs.
One Sub-Registrar, 7th grade	30
" clerk	15
" peon	6
" night-watchman and sweeper	5
House-rent	6

Total .. 62 per mensem, or
Rs. 744 per annum.

4. The Registrar also recommends the re-opening of the office at Tiruvur formerly known as Visannapeta. This station has been growing in importance since the sub-registry office was abolished, and it is now the seat of a Deputy Tahsildar's office. The people have to travel between 40 to 50 miles to go to Bezwada (the roads to which run through jungle tracts) to have their documents registered, while the villages proposed to be detached to form the new sub-district are many of them within a radius of 13 miles from Tiruvur—*vide* statement B.

5. I propose to take 88 villages from the Bezwada sub-district and form them into a new sub-district with head-quarters at Tiruvur, but as the collections of these villages are not sufficient to meet the expenses of a special officer, I beg to recommend that the Deputy Tahsildar of Tiruvur may be appointed as *ex-officio* Sub-Registrar of that station.

6. The Collector of the district to whom the proposal was referred, states that the new office "will be useful to the numerous zemindars and proprietors who have divided the Tiruvur division among themselves and also to the ryots" and that "the proposal is worth trying." The Collector has also approved of the proposal to place the Deputy Tahsildar in charge of the office.

7. I request that this proposal will also meet with the approval of Government and that sanction will be granted for the re-opening of an office at Tiruvur from the 1st May 1898 with the following establishment:—

	Rs.
One clerk	14
" peon	6

Total .. 20 per mensem, or
Rs. 240 per annum.

This is exclusive of the amount which will have to be paid to the *ex-officio* Sub-Registrar in months in which the registration collections do not admit of his earning a minimum commission of Rs. 7.

8. The usual draft notifications giving effect to the above proposals are enclosed for approval and publication in the Fort St. George and Kistna District Gazettes. The usual proposition statements are also enclosed.
