----:0:-----

Read letter from the Collector of Kistna R.C.No.1250/C1 of 1898, dated 26th April 1898, submitting draft notification for the acquisition of land required for the use of the path way to Sub-Inspector's quarters at the Manginapudi Factory for favour of approval and transmission to Government for publication.

RESOLUTION:-

Submitted to Government with the request that -- the enclosed draft notification may be approved and ordered to be published in the Fort Saint George Gazette.

2. The land in question(marked A,B,C,D in the sketch enclosed) is surrounded by Government lands on almost all sides and a portion thereof E-F, has for a long time been---- used as a path-way by the Sub-Inspectors and clerks for going to the office. The acquisition of the site is recommended as the owner of the land now objects to its being used by - the Department as a path-way and as under the existing arrangement the casuarina tope between the Inspector's quarters and the Circle office cannot be efficiently protected except by a long and circuitous fence along A,B,C,D.
