His Statement given before the Tahsildar on 22.3.08 by Lakka palli Ganga doss of Cotton pet Doolestwaram.

The site that has been assessed is the site belonging to the Hindu Temple given by Sir Arthur Cotton where the anicut was constructed about 30 years ago. Ever since I have been living occupation and temporary huts thereon. About 10 years ago the house was destroyed by fire. Unable to rebuild we have since been living in the house of my son in law Ganga doss. Subsequently my son Venkataswami built a house on the site above referred to living here. The village officers said that my son has encroached upon a new site and that assessment would be levied for the past three years. Accordingly in Fasli 1306 an assessment of Rs 8/6 was collected. In the second year an assessment of Rs 2/8

as charged and in the third
Rs. 2. Until three years ago
I had a fence with four
around my house which
was removed by the village
reons by order of the Karnam.
I presented a petition to
Sir. H. Cotton complaining that
assessment has been unjustly
imposed on my ground. He
was requested to submit a petition
the petition writer forgot to
enter my name in the list
of signatories. All the signa-
tories to the petition are my
witnesses. None of them has
been assessed. I am not
aware of my site having been
assigned to K. Pulligadu
the latter has no right
to make the assignment
