Proceedings of the Board of Revenue

(Revenue Settlement, Land Records and Agriculture.)

Dated 25th March 1898.

No. 2132. Miscellaneous

READ..... The following letter from the Collector of Trichinopoly, Reference Current No 2287/97 Gen. Dep. dated 12th March 1898:—

In Government order No 923. I dated 2nd November 1895, communicated with Board's Proceedings, No 3551 dated 29th November 1895. Government observed that the question whether plans and Estimates should be prepared for Zemindari and private tanks which affect Railways, was under the consideration of the Chief Engineer and that in the meantime Superintending Engineers should arrange for the preparation of plans and Estimates for the repair of those tanks, the owners of which agreed to execute repairs according to Estimates prepared by

by the Public Works Department - In Board's Proceedings No 522 dated 11th December 1897, the Board ~~directed~~ ordered that pending the Settlement of the question of preparation of plans and estimates, the necessity of placing the tanks in a Safe condition should be impressed on the owners.

2. Notices have been issued to these private owners but very few have complied with the notice. It is hardly likely that private owners will undertake the repair of their tanks unless action is taken under the Railway Protection Act IV of 1886 - for this purpose, it is necessary to have estimates prepared first. Estimates may not be necessary in case where owners agree to carry out repairs indicated to them

3. The Executive Engineer, who was requested to arrange for the preparation of plans and Estimates in certain cases, in which it was proposed to take action under the act, refers the to the Government Order quoted above. I Solicit orders in the matter. It is hardly possible to make any progress without Estimates

Resolution

With reference to Para 2 of the letter read above, the Collector will be referred to Board's Proceedings, No. 636 dated 26th September 1897, a copy of which will now be furnished to him -

Printed in G.O. 373 15-2-98

Wunder G.O 1916 2-3-98

2. Pending orders of Government on the Proceedings quoted above, the instructions contained in Government Order No. 928 I dated 2nd November 1895, Communicated with Board's Proceedings, No 385 dated 29th November 1895 stands extension to be observed.

3 The Board requests that Government will be pleased to pass early orders on Board's Proceedings No.
