3. Rs. 256-8-0 out of the amount outstanding against Tanjore and the arrear balance reported to be irrecoverable in the Coimbatore district are the second instalment of tree-tax on trees not marked for various reasons and of which the first instalment has been refunded to the parties concerned. Out of the sum recommended for remission by the Collector of Godavari, Rs. 7-9-7 is reported to have been misappropriated by a village servant. He has since been dismissed and, as he is reported to be a pauper, it is requested that the sum may be written off the accounts. Rs. 250 out of the current balance treated as irrecoverable in Madras is the second instalment of

license-fee due by one Mr. Conolly for his refreshment-room. He gave up his license and was excused from paying this sum in Board's Proceedings, Sub. No. 6368, dated 3rd December 1897, as he represented that he had been unable to make the refreshment-room pay. The major portion of the sums recommended for remission in the Madras Town Circle relate to the instalments of tree-tax and shop rents due from fourteen toddy shop-keepers who made default in the last month of the first half-year of 1897-98, and whose licenses were consequently not renewed in October 1897. These men have become paupers, and have no property to be proceeded against.

The defaulters responsible for the remainder have either absconded or died leaving no property, or are paupers.
