As The Secy to Govt. RD
with the Colbr's letter & 2 Encls. in original to be

Read Refer No 453 from the
Board of Revenue D 22.4.98.
(Cuo 3084 of 98)

Note

The Collector of Nellore
proposes to grant leases for mining of
mica to in the Rapin taluk to the
following persons.

Plot II on map (1) Subbarasu Reddi over 4.83 acres for 10 yrs

Plot VII on map (2) do over 10.13 acres for 5 yrs

Plot I " (3) D. Narasimha Reddi over 19.50 acres for 15 yrs

Plot III (4) B. Andinarayana Reddi over 16.82 acres for 10 yrs

Plot VI (5) Y. Krishna Reddi over 28.38 acres for 5 yrs

2 The two plots marked

II and VII in the sketch map proposed

to be granted to the same person

(J. Subbarasu Reddi) are not less

than half a mile apart as required

by the rules (please see para 7 of

S.G. 618 D 13.11.96).

3 Plots I and III in the

sketch now proposed to be granted on

leases of 15 and 10 years respectively

include ~~smaller~~ portions of smaller

blocks already assigned to the same

applicants on 15 and 5 years' leases

under the orders contained in P.O

No 4176 hrs D 10.8.97. The grant

of the plots now applied for means

that the unoccupied portions of the

therefore the grant of adjoining

flat S

But this is admissible under
para 18 of the Rules in 1875
21-4-97 K

Rest no 1 is within half a mile
 of the plot marked A which
 has already been granted
 to D. Parasuram (Vide Remarks in case IV)

From the map forwarded it
 appears that a very small part of the
 triangular piece of land ^{the major portion of which is} included within
 plot I falls also within plot II. It
 is not known whether this ^{is} ~~is~~ due
 to the inaccuracy of the map. If
 brought necessary, the following para
 may be added to the draft order.

The Board of Revenue is requested
 to report whether as would appear
 from the sketch map, plot II comprises
 within its limits any ^{part} of the
 triangular piece of land measuring 3.15
 acres, the major portion of which is
 included in plot marked I."

For the reasons stated
 above the grant of plots
 I ~~and~~ seem inadmissible.
 Plots II, III & IV may
 be granted. The point
 noticed in para 4 above
 may be remarked on
 in the G.O.

Lead C no 3084 of 189
 B.P. (L.R.) no 4532284

G.P. Misc. no. 2339 of 22nd June 1898

The grant of
 plots II, III, VI, and VII
 is sanctioned as recommended
 by the Collector and the Board
 of Revenue. The lease of plot
 I to D. Narasa reddy seems
 inadmissible as it would
 appear from the sketch map
 that it is within half a mile
 of the plot marked A which
 has ^{apparently} already been granted
 to D. Narasa reddy. It
 is observed from the sketch
 that plot II comprises a
 small portion of the triangular
 piece of land ~~already~~ granted
 to D. Narasa reddy. Its
 boundaries should therefore
 be revised so as to exclude
 this bit.
