Revenue Department.

Sir,

In reply to the Under Secretary's memorandum No. 87 dated 2-4-98, I have the honour to report that the original application for the site in question was withdrawn because the District Forest officer at whose instance the application had been made reported that he had obtained the permission of the Executive Engineer, Eastern Division to occupy a portion of the D. & W. land near the Viggaswaram Lock for the construction of a Forest tank shed. But the District Forest officer has now renewed his application stating that the Executive Engineer has revoked the permission granted by him on the ground that the Superintending Engineer had not approved of his action. I therefore request that the acquisition of the 25 cents of land may be sanctioned and the necessary declaration ordered to be published.

I have the honour to be,

Sir,

Your most obedient servant,

[sd] V. A. Brodie.
